ABOUT OTHER BENEFITS
Crime Victims Compensation always pays last. All other public funds and private insurance payments that a person is eligible for or becomes eligible for must be paid and reported to the program before compensation can be considered.

WHEN SHOULD YOU FILE YOUR CLAIM?
- Within one year of the date of the injury.
- Claims for child abuse should be filed within one year of the report to the police and before the child’s 19th birthday.
- When the cause of injury is first thought to be accidental or natural and then discovered to be criminal, the claim must be filed within one year of the discovery.
- A longer time to file a claim will be allowed after a written request shows good reason. Good reason could be that the victim was a child or injuries were more serious than first thought or if someone helping the victim didn’t follow through with the claim.
- You don’t have to wait until the investigation or trial is over.
- You don’t need a lawyer. If you use a lawyer, it is at your own expense.

WHAT DO YOU NEED TO SEND IN?
- A fully completed application.
- Itemized copies of all bills you want to claim. If you will need more medical treatment, see if your doctor can give a written estimate of future expenses.
- If you have insurance or Medicare, send copies of your insurance benefit statements for all expenses.
- For lost earnings, send copies of recent payroll check stubs and a disability statement from your doctor.
- For burial assistance, send a copy of the signed itemized funeral bill.
- For counseling, ask your therapist for the assessment, a treatment plan, and an itemized billing or estimate. Your therapist can send in the claim for you, if they wish.

HERE’S HOW THE CLAIM PROCESS WORKS
- Your application is looked over for completeness. Be sure to complete all sections. An incomplete form will be returned to you with a list of the papers and other information needed.
- Your claim is assigned a claim number and we notify your prosecuting attorney that you filed a claim. We send for police reports and other papers we may need.
- All papers and records received in our office are reviewed by a claim specialist. How long it takes depends on how accurate and complete your application is, and how long it takes to get other information we need to investigate.
- You will receive a written decision with the record and findings of your claim. If your claim is approved, the decision will show itemized payments and payments will be made within a few days. If you owe money to your medical providers, we will pay the providers. If your claim is denied, the legal reasons for the denial will be explained to you.

WHAT IF YOUR CLAIM IS TURNED DOWN?
You have 30 days to write to us to disagree. You may ask for a review of the file or a hearing before the commission in Lansing. The decision by the commission is final.

CONFIDENTIALITY
A person’s papers and testimony before the commission are private. We may tell only whether a person’s claim was approved or denied. Any other information will only be released by a court order.

WHO PAYS?
Money to support this service is paid by criminal defendants convicted in Michigan’s courts. The state also receives money to help crime victims from criminal fines collected in federal courts.

DON’T GIVE FALSE INFORMATION
It’s a crime to give false information to try to get money from the state. Many safeguards are in place to protect crime victim funds. We will forcefully pursue the arrest and conviction of anyone trying to cheat crime victims from the money the State of Michigan provides for them.

VICTIM’S RIGHTS
- You have rights to safety and help with making decisions.
- You have rights to privacy and confidentiality.
