Please join us for the 2006 State of Michigan IT Supplier Forum!

The Michigan Department of Information Technology (MDIT) in cooperation with the Department of Management and Budget (DMB) will host a 2nd day to the 2006 State of Michigan IT Supplier Forum. Those attending will learn about the state's technology vision and direction, new processes for suppliers to market IT services to the State of Michigan as well as the impact of the Michigan IT Strategic Plan.

Attendance to the event to be held at Livonia's Schoolcraft College VisTaTech Center is free of charge. **Due to limited seating, however, advanced registration is required by June 30 and each supplier is limited to two (2) attendees.** Registration will be filled on a first-come, first-served basis.

Topics for the informational session include:

- Strategic Direction of State's Information Technology
- Announcement of New IT Procurement Programs
- Doing Business with MDIT & DMB
- Networking Opportunities for IT Suppliers
