I certify that all statements in this application are true and that:

1. The employment of all minors at this establishment will comply with the provision of Act 90.
2. Adult supervision will be present at all times.
3. Records required by Act 90 will be maintained and made available to an authorized representative of the department for inspection.
4. A record will be maintained of the beginning and ending times of rest periods provided to minors.
5. The establishment employing minors will keep on the premises: (a) work permit for each minor employed, (b) parent/guardian approval for each 16 or 17year old covered by the deviation, and (c) a validated hours deviation.

The Michigan Department of Energy, Labor & Economic Growth may:

1. **Approve** an application for a deviation.
2. **Deny or Revoke** a deviation when:
 - a. any of the information submitted in the application is determined to be false or in error, or
 - b. there is a change in the conditions under which the deviation was granted, or
 - c. the employer is in violation of any standard of the department, or
 - d. the employer fails to comply with a corrective action notice or citation issued by the department.
3. **Modify** a deviation to comply with a federal or state standard or guideline.

A Parent or Guardian may deny or revoke approval for the minor to work the deviated hours requested.

This deviation covers the period and hours listed and is subject to the conditions stated. Any request for hours not contained on the deviation must be submitted on an individual basis. The deviation is not valid without a work permit and the written permission of a parent/guardian expressly approving employment for hours stated on the deviation.

An employer may request a hearing to review a modification or denial by submitting written notice to the department. Upon receipt of the written appeal, a hearing will be scheduled before an administrative law judge, providing the employer an opportunity to justify the deviation.

THIS APPROVAL DOES NOT APPLY IF FEDERAL LAW OR A MUNICIPAL ORDINANCE ESTABLISHES A MORE RESTRICTIVE HOURS STANDARD.
