JOB DESCRIPTION

Employees in this job function as professional Education Specialists, completing or overseeing a variety of assignments to provide technical assistance to local school districts, educational agencies and institutions in their programs and to perform other education-related professional duties.

There are four classifications in this job.

**Position Code Title – Education Specialist-E**

**Education Specialist 9**
This is the entry level. As a trainee, the employee carries out a range of professional education specialist assignments while learning the methods of the work.

**Education Specialist 10**
This is the intermediate level. The employee performs an expanding range of professional education specialist assignments in a developing capacity.

**Education Specialist P11**
This is the experienced level. The employee performs a full range of professional education specialist assignments in a full-functioning capacity. Considerable independent judgment is used to make decisions in carrying out assignments that have significant impact on services or programs. Guidelines may be available, but require adaptation or interpretation to determine appropriate courses of action.

**Position Code Title – Education Specialist-A**

**Education Specialist 12**
This is the advanced level. The employee may function as a lead worker or senior worker. At this level, employees are responsible for overseeing the work assignments of other professionals or have regular assignments which have been recognized by Civil Service as having significantly greater complexity than those assigned at the experienced level.

**NOTE:** Employees generally progress through this series to the experienced level based on satisfactory performance and possession of the required experience.

**JOB DUTIES**

**NOTE:** The job duties listed are typical examples of the work performed by positions in this job classification. Not all duties assigned to every
position are included, nor is it expected that all positions will be assigned every duty.

Interprets specific program requirements for parents, students, legislators, educators and other interested individuals.

Conducts in-service training programs for school administrators and educators.

Compiles statistical data and writes reports and recommendations.

Prepares and updates forms, brochures, publication and other informational materials used by students, parents, educators and other interested individuals.

Provides technical assistance to local school districts, education agencies and institutions in implementing programs and services available through the Department.

Evaluates applications to determine eligibility of applicants for teacher certification.

Collects, verifies and prepares data used in research studies, projects and the formulation of proposed legislation, policies and procedures.

Provides assistance in developing departmental policies and procedures.

Provides assistance in the development of testing and assessment materials.

Maintains records and prepares reports and correspondence related to the work.

Performs related work as assigned.

Additional Job Duties

Education Specialist 12 (Lead Worker)
Oversees the work of professional staff by making and reviewing work assignments, establishing priorities, coordinating activities, and resolving related work problems.

Education Specialist 12 (Senior Worker)
Performs on a regular basis professional education specialist assignments which are recognized by Civil Service as more complex than those assigned at the experienced level.
