*1 Endorsements codes (e.g., BA, ZA) do not appear on Michigan teaching certificates.

*2 Endorsements for the Social Science group (formerly CX), for the Business Education group (formerly GX), or for the Health, Physical Education, Recreation, and Dance group (formerly MX) are no longer program options.

*3 The DX endorsement may not be offered to new candidates after the fall semester of the 2003-2004 academic year.

*4 The LX endorsement may not be offered to new candidates after the fall semester of the 2002-2003 academic year.

*5 The "Z" codes are used only by teacher preparation institutions for recommending these grade levels to the Michigan Department of Education. They do not appear on a teaching certificate.

*6 The JX endorsement may not be offered to new candidates after the fall semester of the 2006-2007 academic year.

*7 MDE staff recommends the discontinuation of these codes due to not being taught in schools and having no state standards for teachers.
