Residency Requirements for Tuition Rates

Because the University is a State institution, some of the costs are determined by whether or not the student is a resident of the State of Michigan. Since normally a student comes to the University for the primary or sole purpose of attending the University rather than to establish a domicile in Michigan, one who enrolls in the University as a non-resident student shall continue to be so classified throughout his or her attendance as a student, unless and until he or she demonstrates through clear and convincing evidence that his or her previous domicile has been abandoned and a Michigan domicile established.
