

Food for Keeps

Food must be preserved so it will not spoil as it's being moved from one place to another. This picture shows some foods and four ways to preserve them. Write the names of the foods under the picture of the way each is preserved.

Refrigeration	Heat	Drying	Chemical
Jelly	Peas	Pepper	Pickles
Poultry	Tomatoes	Popcorn	Olives
Meat	Olives	Dried Fruit	
Milk	Soup	Meat	
		Milk
