SPECIFICATIONS AND BID REQUIREMENTS

A. Project Description

The Genesee Intermediate School District (GISD) Board of Education is seeking bids for performing live fingerprint scans and processing through the Michigan State Police to ensure full compliance with Public Act 129 of 2005 and Public Act 138 of 2005. Fingerprint scans must be conducted on site at the Genesee Intermediate School District, twenty-one (21) constituent school districts and ten (10) public school academies totaling over 200 building locations and approximately 18,000 individuals. The goal is to have all of the fingerprint scans completed in all of the school districts and reports on file in all of the school districts by July 1, 2007.
