**MEMORANDUM**

**TO:** State Board of Education

**FROM:** Mike Flanagan, Chairman 

**SUBJECT:** Adoption of Resolution Regarding National School Breakfast Week

The State Board of Education is being asked to approve a resolution declaring March 6-10, 2006, as National School Breakfast Week.

The Michigan Department of Education administers the National School Breakfast Program. Through an official resolution, the State Board of Education will celebrate and promote school breakfast. Not all parents, teachers, and administrators recognize the importance of a nutritious start for the school day. The 2006 theme for the National School Breakfast Week is "Go Places with School Breakfast." Research indicates that students who eat breakfast are more alert, have improved memory and problem solving skills, and perform better on standardized tests.

It is recommended that the State Board of Education adopt the resolution regarding National School Breakfast Week, March 6-10, 2006, as attached to the Superintendent's memorandum dated December 21, 2005.
