Professional Development Online

Michigan Learnport is a professional development portal that offers courses online. Many of them are free and many of them can be used to help you acquire Highly Qualified Status. Click here for the link to the list of course.

If you see a course that you would like to take, follow these three steps to register for membership in Michigan Learnport and register for the course.

1. Go to <<http://www.learnport.org>> www.learnport.org
2. Click on "Join Michigan Learnport."
3. Enter your last name, first name and district code.
4. Verify your identity from the choices provided.
5. Once the Learnport window opens, click on "Learner Catalogue" in the upper left corner. (It will take a few seconds to open.)
6. Search for the type of course you want or click on "Search" to view the entire catalogue.
7. Click on your PD choices and, if you decide to proceed with the course, click on "Add to Cart".
8. Click on "Check out" when you made all your PD choices.
