

EXPLORING NATURE PROGRAMS

CHARLES MEARS STATE PARK WEEK OF JULY 05-JULY 11, 2009

SUNDAY JULY 05

**MON.-WEDS. JULY
06-08**

THURSDAY, JULY 09

FRIDAY, JULY 10

SATURDAY, JULY 11

**Project Go!
10:30 am**

Beach Pavilion

Design and fly your own rocket powered with "green based" rocket fuel. Will be a blast at the beach

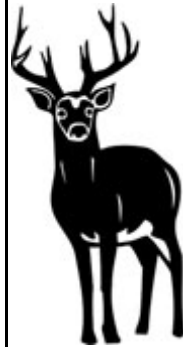

**The Weather- ever
changing, always
fascinating.**

2:30 pm

Beach Pavilion

Predict the weather by looking at the clouds. Learn how to avoid being in a disaster. All the makings of being a future weather predictor. Make a collage to take home.

No programs on these days.

**Go Green Bingo!
2:30 pm**

Beach Pavilion

Come join me in learning about ways to promote a greener earth and then play Green Bingo to win prizes

**Fishing with the
Explorer Guide
7:00 pm**

Pier at end of walkway
I supply everything you need to fish- you supply the talent. We all have fun, no matter what is caught.

**Invasive Species
2:30 pm**

Beach Pavilion

Come see some of our alien invaders and learn ways to fight back against them.

**Campfire with the
Explorer Guide
7:00 pm
Friendship Circle Fire
Ring**

Enjoy the fun of a campfire. Come roast marshmallows (or bring your own treats) and share tall tales and scary stories.

**Fishing with the
Explorer Guide
9:00 – 11:00 am
Pier at end of
walkway**

I supply everything you need to fish- you supply the talent. We all have fun, no matter what is caught.

**Tracks, tracks, tracks
2:00 pm**

Beach Pavilion

All animals leave tracks; learn what to look for in order to find them. Prints as well as scat are all good indicators of where they've been and what they ate.
