

EXPLORING NATURE PROGRAMS

BRIMLEY STATE PARK JULY 08 THROUGH JULY 12, 2009

WEDNESDAY 7/08

THURSDAY 7/09

FRIDAY 7/10

SATURDAY 7/11

SUNDAY 7/12

No Scheduled Programs.

What's Bugging You?

3:00pm

Grab a net as we go on a bug hunt through the park to find those pesky and good critters. Then make your own insect creation to take home.

Where Am I?

7:00pm

Don't have one of those fancy GPS contraptions? Come learn the basics of using a compass through a mini orienteering course.

Wolves In My Backyard

7:00pm

Discover the world of these mysterious predator mammals that roam out Northern forests, through fun and informative activities.

Get Your Hands Dirty!

4:00pm

Explore the different types of soils around the park and the creatures who live there. Then we'll end up on the sandy beach and have a sand castle building contest.

Creatures of the Night

9:00pm

Come and discover the animals that work the night shift and their special adaptations. Children under 14 must be accompanied by an adult.

Beach Hunt!

11:00am

Kick off your shoes and head for the beach as we go on a beach scavenger hunt. Then make a photo frame using the things you find.

Discovery Cove

1:00-3:00pm

Come on in to the Discovery Center and see what's there. Try practicing fishing, hunt for insects, and learn about Michigan mammals or get your questions answered about any of our great natural resources.

All programs meet by the picnic shelter and last approximately one hour.

For more information contact: **Brimley State Park 9200 W. 6 Mile Rd., Brimley, MI 49715 (906)248-5894**

Motor Vehicle Permit required for entry to park

Great Lakes, Great Times, Great Outdoors

EXPLORING NATURE PROGRAMS

BRIMLEY STATE PARK JULY 14 THROUGH JULY 19, 2009

TUESDAY 7/14

Whitefish Point Bird Observatory

7:00pm

Come join us on this special evening with guest speaker Sarah Pitzer from the Whitefish Point Bird Observatory.

Wednesday 7/15

Forest Foray

2:00pm

Discover the world beneath your feet as we journey down the park's moderate trail looking for creatures that live under the leaves and logs. Don't forget the bug spray!

THURSDAY 7/16

The Great Pollinators

3:00pm

Learn about Bees, Butterflies and Hummingbirds; those special creatures that play a very important role in our everyday lives, through fun hands-on activities.

Michigan History for Kids

7:00pm

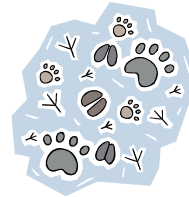

Learn how kids used to entertain themselves while learning some Michigan History facts.

FRIDAY 7/17

Fish Frenzy

4:00pm

Cast out your line and reel in some fun as we learn about the fish that make the Great Lakes home. Fish for "Land Bass" and join in other fun activities.

Tracking Michigan Mammals

8:00pm

Wonder what left that track on the beach? Come and learn about the signs animals leave behind. Then make your own track to take home.

SATURDAY 7/18

Animal Defenses

4:00pm

Wack! Smack! Grrr! Ouch! Come and learn about the special adaptations animals have to defend themselves through fun activities.

Iron Camper!

8:00pm

You've heard of the Iron Chef? Well let's see if you have what it takes. First can you survive the outdoors survival quiz? Then see who can build the best nature sculpture using a few natural objects. Finally learn how to build an edible fire.

SUNDAY 7/19

Nature Bingo

11:00am

Test your bingo skills as we go on a nature scavenger hunt through the park.

Discovery Cove

1-3:00pm

Come on in to the Discovery Center and see what's there. Try practicing fishing, hunt for insects, learn about Michigan mammals or get your questions answered about any of our great natural resources.

All programs meet by the picnic shelter and last approximately one hour.
