

MCGCP “LEAP AHEAD” SELF STUDY

This is a very simple self-study to help you evaluate your current program. This will help you as you begin to define your program based on the four component areas. Think about your current guidance activities, duties, etc. Using your knowledge of the four component areas of the Michigan Comprehensive Guidance and Counseling Program, list your current activities under the appropriate component area.

GUIDANCE CURRICULUM	INDIVIDUAL PLANNING	RESPONSIVE SERVICES	SYSTEMS SUPPORT	NON-GUIDANCE ACTIVITIES
