Dear Mr. Roughan;

The following training materials and accredited program submitted to us have been reviewed and approved in accordance with the Michigan Department of Agriculture's (MDA) "Procedures For Approving Food Safety Training Materials and Programs". Specifically:

Approved Training Materials:

The TAP Series Food Safety Manager's Certification Training meets MDA's "Guidelines for Food Safety Training Materials". The training material package consists of:

1. Food Safety Manager's Certification and Food Worker's Training Program Content Outline; copyright 2003 Chimera Solutions
2. CD-ROM/Internet delivered self-study course

Name of Accredited Certification Program:

All Conference of Food Protection Accredited Manager Certification Examination.

Thank you for submitting the training materials and accredited program information to MDA for approval. Information regarding this approval will be posted on the MDA list of approved Food Safety Training Materials and Programs.

You may view the list on our website at: www.michigan.gov/mda

Expiration:

MDA approval of food safety training material and programs expires three (3) years from the date of original issuance. Please feel free to contact me at (517)-335-4604, with any questions.

Sincerely,
