

Food Export USA-Northeast and MIATCO Buyers Mission Calling All Maple Syrup Producers!

Meet Buyers From Germany on March 15th in Burlington, VT!

What is a Buyers Mission?

MIATCO and Food Export USA-Northeast understand that meeting with buyers is a critical step to U.S. companies who are interested in exporting. Buyers' Missions give your company the opportunity to meet with buyers from around the world and are scheduled, one-on-one, product matched, 30-minute meetings between you and major importers.

Why Should I Attend This Mission?

For the past few months, Food Export USA-Northeast and MIATCO have been promoting USA Maple Syrup in Germany. A brochure was released to educate consumers about USA maple syrup explaining the various grades, health benefits, and recipes that teach them how to use USA Maple Syrup in their every day lives.

Now, Food Export USA-Northeast and MIATCO are bringing buyers from Germany to teach them about maple syrup production and to meet with you one-on-one! These buyers have been prequalified and are interested in buying USA Maple Syrup.

For Just \$75, you can meet with five buyers who are interested in importing your product to Germany!

Registration Deadline: February 4, 2005

(After this date, the mission will cost \$125. The final registration deadline will be February 25, 2005.)
