

**MICHIGAN DEPARTMENT OF TRANSPORTATION
 FY 2004 APPROPRIATION REPORTING REQUIREMENTS
 PUBLIC ACT 162 OF 2003
 SECTION 208 REPORT
 AS OF OCTOBER 1, 2004**

The following reports were submitted during the period 7/1/04 - 9/30/04.

SECTION NUMBER	REPORT TOPIC
601	Report on the status of efforts to develop performance and road construction warranties.
611 *	The department shall use high-quality pavement marking materials for all state trunkline projects with a design life of 10 years or greater. The department shall coordinate material suppliers, equipment manufacturers and application contactors to ensure cost effective improvements in durability and retro reflectivity. The department shall report on the status of these efforts.
352 (2)	After compiling this information for all Michigan counties, the department shall prepare a report on the current all-season road network within the state. This report shall illustrate the current all-season road network under state and county control, identify contiguity gaps in this network, and suggest ways to improve connectivity on the current all-season network. This report shall be presented to the house and senate appropriations subcommittees on transportation, the house and senate transportation policy committees, and the house and senate fiscal agencies on or before October 1, 2004.
308	The department and local road agencies that receive appropriations under this act shall pursue compliance with contract specifications for construction and maintenance of state highways and local roads and streets. Work shall not be accepted and paid for until it complies with contract requirements. Contractors with unsatisfactory performance ratings shall be restricted from future bidding through the prequalification process established by the department or a local road agency. The department, county road commissions, and cities and villages shall report to the house of representatives and senate appropriations subcommittees on transportation on their respective activities under this section.
608	From the amounts appropriated in part 1 for forest roads from the economic development fund in fiscal year 2004, \$40,000 shall be used to establish 2 additional truck inspection stations. The department shall report on the status of this program.
PA 193 Sec 1102	Provide a report on the status of projects funded in the current fiscal year (2004) capital outlay appropriation bill.

The following is a list of reports expected during the period 10/1/04 - 12/31/04.

SECTION NUMBER	REPORT TOPIC
363 *	Study by Michigan Tech of the distribution and nature of log truck accidents, etc.

* Denotes new reporting requirements for FY 2004
