A statement regarding reasons why a compliance audit is not required for the Road Commission of Macomb County follows:

The Road Commission's financial statements report \$10,843,759 of federal aid, all of which is administered by the Michigan Department of Transportation; the Road Commission has no control over these expenditures, nor does it have any administrative or other responsibilities for compliance with grant requirements. Therefore, it does not consider these to represent federal assistance to the Road Commission. The remaining federal grants, all of which are considered to represent financial assistance to the Road Commission, total less than \$300,000; therefore, no single audit was undertaken by the Commission.
