TO: Child and Adult Care Food Program Institutions
FROM: Mary Ann Chartrand, Director
Grants Coordination and School Support
DATE: March 27, 2006
SUBJECT: Michigan Education Information System Security Access Procedure

The process for obtaining access rights to all Child Nutrition Program web applications on
the Michigan Education Information System (MEIS) has changed. This includes the Child
and Adult Care Food Program.

Security Authorization Forms for the following applications no longer have to be
renewed annually if there are no changes to the currently authorized Level 3
user(s):

- Child Nutrition Application Program (CNAP)
- Claim Form

The person(s) currently holding Level 3 access rights will retain access unless we are
notified otherwise. This person can assign and remove lower level (Level 1 - Read Only and
Level 2 – Enter/Edit) rights to staff within the organization allowing them to view, enter, or
edit data. Level 3 rights can only be granted by our office to the person(s) who is the
authorized official to enter/certify data.

Each institution can designate up to two individuals with Level 3 access rights to enter and
certify data. If you already have more than two, or if adding someone would exceed that
number, you will be contacted and asked to specify which two people should have Level 3
access.

It is the responsibility of the authorized official to submit a new Security
Authorization Form whenever there are any changes regarding designated
individuals with Level 3 access rights.
When to submit a Security Authorization Form:

1. **Remove access**: If the Level 3 designee is no longer a staff member or for any other reason is no longer authorized to certify data, a Security Authorization Form must be submitted to notify us to remove access rights for that person.

2. **Add access**: If someone is being added, the requested information must be entered by the authorized official.

3. **Change access**: If there is a replacement designee, the requested information must be entered (including the name of the person being replaced) by the authorized official.

The form is available on the MEIS website ([http://michigan.gov/meis](http://michigan.gov/meis)) under “Child Nutrition Programs”, “Security Agreement”. It can be used for any of the above listed applications to add or delete an authorized user. Print the form, complete the requested information, and fax to (517) 373-4022.

If there are questions regarding who currently has Level 3 access rights within your organization, contact Ruby Zavala at zavalara@michigan.gov or (517) 373-0420.
