FISCAL YEAR 2004
CHILD AND ADULT CARE FOOD PROGRAM
OPERATIONAL MEMO #20

TO: Child and Adult Care Food Program Institutions
FROM: Mary Ann Chartrand, Director
       Grants Coordination and School Support
DATE: August 9, 2004

SUBJECT: Providing Infant Formula and Age-Appropriate Infant Food

Each center must offer to provide infant formula and age-appropriate infant foods for each infant in its care. The Child and Adult Care Food Program does not discriminate in any aspect of delivery of program benefits. This includes the “inequitable allocation of Program (CACFP) benefits or services to eligible children on the basis of race, color, national origin, sex, age, or handicap [disability]” (FNS Instruction 113-4 XII A 2).

Please select the type of formula that your center will offer and advise parents of infants of your selection. Parents choosing to provide formula and/or age-appropriate infant food for their own infant must sign an Infant Formula/Food Sign-Off Statement, which declares that they are aware of the formula the center offers but choose to provide their infant’s formula. The center will be responsible for providing the formula selected by your center to infants whose parents do not sign the statement.

Attached is the Infant Formula/Food Sign-Off Statement. All signed statements must be retained in the center’s files for audit purposes. Note that the center must fill in the blank with the formula offered at the center.
