ITEM 3: CONTRIBUTOR'S NAME AND ADDRESS: Enter the contributor's name and address. Check the "PAC Receipt? Yes" box if the contribution is from a PAC (Political or Independent Committee). **CONTRIBUTOR'S OCCUPATION, EMPLOYER, AND BUSINESS ADDRESS:** Complete if the cumulative value of in-kind contributions, also direct contribution received from the contributor exceeds \$100.00 in a calendar year and the contributor is an individual.

ITEM 4: TYPE OF IN-KIND CONTRIBUTION: Check one of the five indicated categories for each in-kind contribution. Endorsement or guarantee of bank loan: An endorsement is made when a contributor guarantees a financial institution that he or she will repay a loan from that financial institution if the committee defaults on payments. The amount endorsed is the amount to be reported as an in-kind contribution. Goods donated or loaned: Items that are given to the committee without charge, or items loaned to the committee for temporary use with an expectation that the items will be returned to the contributor. The value to be reported as an in-kind contribution is the fair market value or amount it would have cost the committee to purchase or rent similar items in the local community. Example: use of a computer, use of office furniture. Services donated: Labor or services for which the contributor or other persons would normally be compensated that is donated to the committee without charge. Example: accounting, legal or clerical services; free music for fund raising event provided by professional band, etc. (as long as they are not incorporated). The amount to be reported as an in-kind contribution is the amount usually charged to the general public for such or similar services. Goods or services purchased by others: The purchase, by a contributor, of materials, supplies or services for the committee. Example: payment of the committee's printing bill by a contributor; purchase of office supplies or postage stamps; purchase of food for a fund raiser. The amount to be reported as an in-kind contribution is the amount the contributor paid for the goods or services. Goods or services purchased by others - LOAN: The purchase, by a contributor, of materials, supplies or services for the committee for which the contributor wishes to be reimbursed. The examples would be the same as above, except for the fact the committee is expected to repay the contributor the cost incurred. Therefore, the amount is reported both as an in-kind contribution from the contributor on Schedule 2-IK, Itemized In-Kind Contributions, and as a debt owed by the committee to the contributor on Schedule 2E, Debts and Obligations. **DESCRIPTION:** Enter a brief, clear description of each in-kind contribution that describes the goods or services contributed and, if not obvious, the purpose of the goods or services. If the contribution is related to a fund raiser event sponsored or co-sponsored by the committee, check the "Fund Raiser" box.

If a third party made expenditures on behalf of the committee such as for media buys or reimbursements, report the additional detail information for this expenditure as a Memo Itemization. Report the gross expenditure made by the committee with the notation "**Memo Itemization Below**" written above the name of the person, business or vendor to whom the payment was made by the committee, the date of the payment, and the total amount paid. In the space for the next expenditure record immediately following this entry, enter the notation "**Memo Itemization**" and indicate the ballot proposal involved. Check the applicable boxes for in-kind or independent, support or oppose and enter the date of the expenditure. Report the allocated amount for the proposal in parenthesis as a reminder that it is not to be added into the total again. Enter the cumulative expenditure amount for that proposal (for the election) through the date of the expenditure being itemized. Repeat until the itemization is completed for each proposal related to the expenditure being itemized

ITEM 5: CANDIDATE NAME: If the independent expenditure was made to support or oppose a candidate, enter the candidate's name, the office sought by the candidate, the district # or jurisdiction served by the office and the candidate's county of residence. **BALLOT ISSUE:** If the independent expenditure was made to support or oppose a ballot proposal, identify the proposal and indicate whether it is a statewide, multi-county or single-county issue. If listing a single county issue, list the county involved. If listing a multi-county issue, list the county where the greatest number of electors eligible to vote on the issue reside. Check the box if the expenditure was made to repay a debt or obligation owed by the committee that was reported on a previous campaign statement.

ITEM 6: DATE OF EXPENDITURE: Enter the date the expenditure was made.

ITEM 7: AMOUNT OF EXPENDITURE: Indicate the amount spent for each candidate or issue supported or opposed.

ITEM 8: CUMULATIVE FOR ELECTION CYCLE: If the expenditure was made to support or oppose a candidate, enter the cumulative amount the committee has expended to support or oppose the candidate during the candidate's "**election cycle**" as independent expenditures only. Do not include any in-kind or direct expenditures; they are cumulated separately from independent expenditures on the Schedules for direct and in-kind expenditures as they count against contribution limits to each candidate. An independent expenditure does not count against the contribution limit of the candidate. A candidate's current election cycle began on the day following the date of the general election in which the office sought by the candidate last appeared on the ballot and ends on the day of the next general election in which the office sought by the candidate will appear on the ballot. If the expenditure was made to support or oppose a ballot proposal, enter the cumulative amount of all expenditures the committee has made to support or oppose the proposal to date. For ballot proposals, all types of expenditures are cumulated together, including direct, in-kind and independent for the election in which the proposal appears on the ballot.
