STATE OF MICHIGAN OIL AND GAS LEASE APPLICATION TO AMEND

- Parcel Reclassification
Change In Restrictions
Variance In Lease Terms

By Authority of Act 451, Public Acts of 1994, as amended.

Table with 3 columns: Index (73550), PCA (51956), AOC (9162). Includes fields for Parcel ID and Date Application Received.

NOTE: Application fee is \$2,000 per lease. A check payable to State of Michigan must accompany this completed application. In addition to the application and fee, include the following information:

- A detailed survey of the area, clearly depicting the proposed well site and all surface features. Identify the direction and distance to lakes and streams that are within 1,320 feet of the surface location of the well.

If the Michigan Department of Natural Resources (DNR) is not the surface owner of the land involved, Applicant must also submit a copy of the voluntary agreement or stipulated settlement, pursuant to lease terms F2 or G2, as applicable, prior to issuance of the lease amendment.

If reclassification is approved, the lease bonus will be recalculated to reflect the bonus paid on leases with similar classification, in the same vicinity, at the same State lease sale. Applicant will be invoiced for the amount of bonus due at the time the lease amendment is sent for execution.

Please print. Attach additional sheets if needed.
