MICHIGAN CIVIL SERVICE COMMISSION
JOB SPECIFICATION

PHARMACY ASSISTANT

JOB DESCRIPTION
Employees in this job perform a variety of support activities to coordinate vendor pharmacy services in a health care unit, or provide pharmacy technician services in the operation of a pharmacy under the guidance of a registered Pharmacist.

There are two classifications in this job.

Position Code Title - Pharmacy Assistant-E
Pharmacy Assistant E7
This is the experienced level. The employee performs a full range of pharmacy assistant assignments and uses judgment in making decisions based on applying established methods and procedures. Guidance and direction are generally available as needed.

Position Code Title - Pharmacy Assistant-A
Pharmacy Assistant A8
This is the advanced level. The employee at this level functions as a senior worker performing the most complex pharmacy assistant assignments as a licensed pharmacy technician. Senior-level employees consistently perform complex assignments beyond those expected at the experienced level which have been approved by Civil Service.

JOB DUTIES
NOTE: The job duties listed are typical examples of the work performed by positions in this job classification. Not all duties assigned to every position are included, nor is it expected that all positions will be assigned every duty.
