3. DEFINITIONS

A. Definitions as Used in This Regulation

1. **Frozen classifications** means classes that have been determined to be obsolete; e.g., classes in the Benchmark System and selected Equitable Classification Plan that have been deemed no longer viable. All positions in such classes are frozen. A freeze action is designated by a "Y" in the Human Resources Management Network (HRMN) Frozen User field on the PA02.1 and the addition of "FZN" to the position description.
2. **Frozen positions** means freeze actions on individual positions used to identify employees in specific positions with duties and responsibilities that are no longer proper for the current classification. The freeze prevents the appointing authority from refilling the position until it has been reviewed and the proper classification has been determined. A freeze action is designated by a "Y" in the HRMN Frozen User field on the PA02.1 and the addition of "FZN" to the position description.

4. STANDARDS

- A. Civil Service shall not establish an improperly classified position.

- B. Appointing authorities shall give notice to Civil Service of material changes in the duties and responsibilities that may impact the proper classification of a position such that it should be frozen.
- C. When Civil Service issues a classification action to freeze a position, the proper classification must be identified on the Position Action Request (CS-129).
- D. The employee cannot appeal a freeze action.
- E. A freeze on a position in a preauthorized class series (entry/trainee or intermediate level) precludes reclassification to any higher level in the class series for the current employee.
- F. Freeze actions are employee and position-specific and are only transferable to another position when approved by Civil Service (e.g., the employee in the frozen position is assigned comparable or higher level work).
- G. A vacant, frozen position must be reviewed and properly reclassified before an appointment to the position can be made.
- H. An occupied frozen position can be reclassified to the proper classification if there is no negative impact to the employee's current pay rate, or the reclassification does not result in placement in a lower pay range, or there is no violation of Civil Service rules or regulations.
- I. Frozen positions are not exempted from reduction-in-force actions. A frozen position (both bargaining unit included and excluded) must be classified, after it has been vacated, in the proper classification for the application of employment preference in accordance with regulation 2.01 [Implementing A Reduction In Force For Non-Exclusively Represented Employees].
- J. Transactions on frozen positions are subject to audit.
