SOCIAL WORK SPECIALIST MANAGER

JOB DESCRIPTION

Employees in this job, as professional managers, direct the work of Social Work Specialists. The employee, under general supervision, works within general methods and procedures and exercises considerable independent judgment to adapt and apply guidelines to specific situations. The work requires knowledge of the policies, procedures, and regulations of social work programs, and supervisory techniques, personnel policies, and procedures. Work assignments stem from the policies of social work and social service programs, with the results reviewed at the management level.

There are two classifications in this job. The classification level is determined by the application of the Professional Managerial Position Evaluation System.

Position Code Title – Social Work Specialist Manager-2
Social Work Specialist Manager 13
The employee functions as a first-line professional manager of professional positions in a standard work area, a first-line professional manager of a professional position in a complex work area, a first-line professional manager of nonprofessional positions in a complex work area, a first-line manager of a professional position in a standard work area receiving executive direction, or a first-line professional manager of nonprofessional positions in a standard work area receiving executive direction.

Position Code Title – Social Work Specialist Manager-3
Social Work Specialist Manager 14
The employee functions as a first-line professional manager of professional positions in a complex work area, a first-line professional manager of professional positions in a standard work area receiving executive direction, a second-line professional manager of professional positions in a standard work area, a first-line manager of a professional position in a complex work area receiving executive direction, or a first-line professional manager of nonprofessional positions in a complex work area receiving executive direction.
