Ann Arbor	Center for Occupational & Personalized Education	\$62,850
------------------	---	-----------------

The Center for Occupational & Personalized Education (COPE) will provide the Life Skills Prevention Program coupled with an individualized academic program to 80 youth, ages 10-18. The program will serve suspended and expelled youth from Washtenaw County public school districts, as well as youth who are expelled under the State of Michigan's "weapons in school" law. C.O.P.E. will also operate a summer school program at two program sites in Washtenaw County (Ann Arbor and Ypsilanti), providing the Life Skills Prevention Program to 30 students, ages 15 to 18 years old, who have fallen behind in the number of credits needed for high school graduation. The program will provide an opportunity for young people, who would otherwise be unable to attend a summer school program, the ability to earn credits towards completion, as well as create a positive attitude towards the non-use of substances and avoidance of violence.

Project Title: C.O.P.E. At-Risk Youth Prevention/Education Program

Cheboygan	53rd Circuit Court, Family Division – County of Cheboygan	\$100,000
------------------	--	------------------

The Cheboygan County Juvenile Division of Circuit Court plans to continue a day treatment program designed to effectively address delinquent behavior and to reduce out of home placements. This is a restorative program that seeks to place adjudicated youth back in their homes. For the past four years the youth attended school and groups at the center for 12 hours a day. At the start of the new program year youth will be at the center from 8:00 a.m. to 5:30 p.m. with after hours monitoring to continue until 12:00 midnight. The program is designed to promote accountability, prevent delinquent behavior, to develop responsibility and productivity. This is a full year program with a reduced program for the summer months. Youth participate in vocational, behavioral and Life Skill groups two days a week. All youth are required to get a job in the summer.

Temple United Methodist Church will offer the Second Step violence prevention program to 180 elementary, middle and high school youth, ages 9-16, 10 college students, and 40 parents/guardians. The program will also provide Effective Black Parenting workshops and parent dinners. Youth in the program will participate in tutoring, learn important job experience, and be involved in mentoring, modeled after the Big Brothers and Big Sisters program. There is excellent support and collaboration with community agencies.

Southfield	Chaldean-American Ladies of Charity	\$100,000

The Chaldean-American Ladies of Charity will provide the Strengthening Families Program at four sites in the Detroit area serving 100 youth and 60 parents. The goal is to encourage youth to abstain from drugs, develop life skills to deal with peer influences, encourage school involvement, educate families on prevention of drug use and abuse, and to help bridge cross-cultural communication barriers between parents and youth. Tutoring and childcare will also be provided to program participants.
