MICHIGAN CIVIL SERVICE COMMISSION  
JOB SPECIFICATION  

TREASURY INVESTMENT ADMINISTRATIVE MANAGER  

JOB DESCRIPTION  
Employees in this job assist the Treasury Investment Administrator in the planning, directing and execution of a divisional investment program. Under the supervision of a Treasury Investment Administrator or higher-level executive, the employee manages one or more agency-designated, Group 4 sections (work areas that include two or more professional employees with less than divisional or office standing), or functions as an overall assistant director of a divisional investment program. In conjunction with the Treasury Investment Administrator, the Treasury Investment Administrative Manager reviews and evaluates the work of program personnel to ensure conformance with investment policies, strategies, and laws governing the investment of state retirement funds and the investment assets of state trusts and agencies. The employee works within general policies and procedures and exercises considerable independent judgment in assisting in developing and implementing new approaches to departmental administration. Investment functions include managing one or more investment portfolios, or portion(s) thereof, assisting in developing investment strategies, and assisting with asset allocation decisions. Supervisory functions include approving leaves, conducting service ratings, counseling and disciplining employees, participating in employee grievance procedures, and the hiring and training of personnel. All ECP Group 4 positions must be designated as such by the Appointing Authority and approved by Civil Service.
