

Uniform Traffic Code for Cities, Townships, and Villages

November, 2003

PREFACE

The 2002 edition of the Uniform Traffic Code for Cities, Townships, and Villages (UTC) is a fundamentally different document than previous versions of the code. In 1999, Public Acts 253-260 were passed into law, allowing municipalities the ability to adopt the Michigan Vehicle Code (MVC), in addition to other state law, as local ordinance by reference. Because of the passage of these acts, and the substantial and time-consuming process necessary to keep the UTC current with the frequently changing vehicle statutes, a decision was made to eliminate the language in the UTC that was redundant with the MVC. The result is a much smaller document that will require less frequent amendment. In November, 2003, two minor typographical errors were found and corrected. R 28.1105 was corrected to reference section 252d of the act, and a capitalization error was corrected in R 28.1454.

Municipalities adopting previous versions of the UTC should adopt both the MVC and current UTC by reference, in addition to rescinding their ordinance adopting the previous version of the UTC. Municipalities that frequently enforce snowmobile law are encouraged to adopt Part 821 of the Natural Resources and Environmental Protection Act, 1994 PA 451, MCL 324.82101 to 324.82160.

Assistance in adopting the MVC and UTC by reference can be obtained from the Michigan Municipal League or the Michigan Townships Association. Sample ordinances can be viewed at:
