2. BUSINESS LOCATION

Enter the **complete** business address. A Rural Route or Post Office Box alone will not be accepted. The physical location must be identified. The address must match the address on all documents presented with the application (see document list in Item 1 above).

Corporation or Limited Liability Company: Enclose a copy of the articles of incorporation, articles of organization, or certificate of good standing from the Michigan Department of Consumer and Industry Services. Businesses formed in other states must obtain a certificate of authority from the Michigan Department of Consumer and Industry Services before applying for a Michigan dealer license. Telephone (517) 241-6470 for further information.

Note: Unincorporated trusts cannot be licensed as a dealer in Michigan. Only the business types listed may be issued a dealer license.

5. LICENSE CLASSIFICATIONS

Indicate the license classification(s) for which you are applying.

A dealer license may be issued in one or more classifications (classes), depending on the business activity performed.

The law requires different things from different classes of dealers. Sometimes the requirements will not allow one type of dealer to do something another type of dealer would be permitted to do. Because of this, not all license classes are "compatible" with each other. The following descriptions tell you in general what activities each class allows and which classes are compatible.

Class A (New Vehicle Dealer)

This dealer buys and sells new vehicles under a franchise agreement or a contract with a new vehicle manufacturer.

Class A is compatible with B, C or R, and E classes.

Class B (Used Vehicle Dealer)

This dealer buys and sells used vehicles.

Class B is compatible with A, C or R, and E.

Class C (Used Vehicle Parts Dealer) and Class R (Automotive Recycler)

These dealers buy or otherwise acquire late model major component parts for resale, either at wholesale or at retail, and/or acquire vehicles to dismantle for the resale of their parts, selling the remains as scrap. These are the only classes which can legally buy late model distressed vehicles (salvage or scrap vehicles) or late model major component parts from insurance companies, or through auctions, brokers, or salvage pools in Michigan.

Note: A Class C or Class R dealer may only be represented at an auction, broker, or salvage pool by its own **Licensed Salvage Vehicle Agent**. Contact the Licensing Unit to obtain a Salvage Vehicle Agent application.

Class C and Class R are compatible with A, B, and E; or E and F. Class C and Class R are NOT COMPATIBLE with each other or with Class D or Class G.

Class D (Broker)

This dealer "brokers" the sale of vehicles or late model major component (salvageable) parts by arranging (or offering to arrange) for the sale of the vehicles or parts between two parties. A broker **may not** take ownership of the vehicles or major component parts. Examples of brokers are new car brokers, vehicle sales listing agencies, consignment lots, flea markets, auctions, and salvage pools.

Brokers cannot buy vehicles at auctions.

Class D is compatible only with Class G.

Class E (Distressed Vehicle Transporter)

This dealer may: 1) buy or acquire ownership of, 2) transport, and 3) sell scrapped or junked vehicles only. Vehicles may be sold at wholesale only to:

1. Used Vehicle Parts Dealers (Class C); or
2. Scrap Metal Processors (Class F); or
3. Automotive Recyclers (Class R).

This dealer may NOT dismantle vehicles or sell parts.

Note: A vehicle "crusher" is one type of distressed vehicle transporter.

Class E is compatible with A, B, and/or C; or C and/or F; or A, B, and/or R; or R and/or F.

Class F (Vehicle Scrap Metal Processor)

This dealer processes vehicles into scrap metal by shearing, fragmenting, baling, shredding, etc. (Crushing vehicles is not considered a scrap metal process since it is not the final step before remelting.)

A scrap metal processor who acquires vehicles only from licensed dealers is not required to be licensed but must keep certain records and make them available for inspection.

Class F is compatible with C and/or E; or E and/or R.

Class G (Vehicle Salvage Pool)

This dealer engages in the business of storing and displaying damaged or distressed vehicles for insurance companies.

Class G is compatible only with Class D.

Class W (Wholesaler)

This dealer engages in the business of selling used vehicles to or purchasing used vehicles from a licensed motor vehicle dealer and who does not sell or offer for sale motor vehicles of any classification to a person other than a licensed vehicle dealer.

Class W is compatible with a used or secondhand vehicle parts dealer (C) or automotive recycler (R).

6. CONTRACT OR FRANCHISE AGREEMENT (Class A only)

List the makes of new vehicles for which you have franchises or agreements to sell.

Enclose a copy of franchise agreement, letter of intent, or a certification that you hold a contract to act as a factory representative, factory distributor, or distributor representative to sell at retail the make(s) of vehicle(s) you listed. Make sure these documents include the name and address of the manufacturer and the dealer.

NOTE: Conversion companies are not the same as manufacturers. If you have questions about the agreement you have, contact the Licensing Unit at 1-888-SOS-MICH (1-888-767-6424).

7. BUSINESS DAYS AND HOURS

List the specific days and hours the business will be open. Class A and Class B dealers are required to maintain a minimum of 30 business hours per week.

If you change your business hours, you must notify the Licensing Unit, in writing or by fax at (517) 335-2810.

8. OWNERS, PARTNERS, CORPORATE OFFICERS, DIRECTORS

List the full name, home address, social security number and birthdate for all owners, partners, corporate officers, members and directors.

For corporations, “owners” also includes any stockholder holding 25% or more of the stock issued.

Limited Liability Companies must include information for all managers.

If the owner, partner or manager listed on the application form is itself a corporation, partnership or limited liability company, the individuals who are the owners, partners, corporate officers, directors, managers, or stockholders or members holding 25% or more of the stock issued for the company listed in Item 8 must be disclosed. Use a separate sheet to provide the full name, home address, home telephone and birthdate for each individual.

Each individual listed in Item 8 must have fingerprints on file with this department. Individuals disclosed under a corporation, partnership or limited liability company listed as a licensee who will have direct impact on the operation of the business must also have fingerprints on file. Please refer to the instructions for completing fingerprint cards for more details.

9. SERVICING FACILITY REQUIREMENT (Classes A and B only)

New and used vehicle dealers are required to provide proper servicing facilities. The servicing facility must be located within 10 miles of the dealership’s established place of business. **This requirement applies even if vehicles are sold “AS IS” or wholesale.**

This requirement may be met in one of two ways:

1. Register as a motor vehicle repair facility.

A Motor Vehicle Repair Facility Registration Application is enclosed. It is not necessary to register again if the business is currently registered and the ownership has not changed.

2. Enter into an agreement with a currently registered motor vehicle repair facility.

An agreement form is enclosed. Make sure the agreement shows the repair facility registration number and the repair facility **owner's** signature.

10. BUSINESS LOCATION DESCRIPTION

Check the appropriate boxes.

A dealer's established place of business must meet all applicable zoning and municipal requirements.

For a Class A and Class B dealer, an established place of business must include the following:

- The premises must contain a permanently enclosed building or structure either owned, leased, or rented by a dealer, which is not a residence, tent, temporary stand, or any temporary quarters;
- The building or structure is required to be continuously occupied in good faith for the purpose of selling, buying, trading, leasing, or otherwise dealing in motor vehicles;
- All books, records, and files necessary to conduct the business of a Class A or class B dealer must be maintained in the building or structure;
- A building or structure housing an office of at least 150 square feet in size, equipped with standard office furniture, working utilities, a working restroom, and a working telephone listed in the name of the business on the dealer's license;
- Land space of no less than 1,300 square feet to accommodate the display of a minimum of 10 vehicles of the kind and type that the dealer is licensed to sell and an additional 650 square feet for customer parking. The display and customer parking areas must be adequately surfaced and well lit during business hours;
- An exterior sign displaying the name of the dealership that is permanently affixed to the building or land with letters clearly visible from a highway identifies the premises;

- Conspicuous posting of the dealer's regular hours of operation. The posted hours must be not less than 30 hours per week;
- The premises must contain a registered repair facility on site for the repair and servicing of motor vehicles of a type sold at the established place of business, unless the dealer has entered into a written servicing agreement with a registered repair facility at a location not to exceed 10 miles' distance from the established place of business. If repairs are conducted pursuant to a servicing agreement, the servicing agreement must be conspicuously posted in the office;

A dealer may not combine space and resources with another dealer to meet the minimum established place of business requirements for a new or used vehicle dealer. Each licensed new or used dealer must meet the established place of business requirements separately.

For other dealer classes an established place of business means the place actually occupied either continuously or at regular periods where books and records are kept and a large share of business is transacted.

Estimate the greatest number of vehicles you will have in inventory at one time.

11. **DEALER PLATES AND FLEET INSURANCE** (Class A, B, W only)

You must have 20/40/10 fleet-type Michigan no-fault insurance indicating coverage for “**ANY VEHICLE**” or “**ALL OWNED VEHICLES**.”

Enclose a copy of your fleet insurance certificate. Your insurance certificate must have the exact business name as listed in Item 1. **If the insurance certificate does not indicate ANY VEHICLE or ALL OWNED VEHICLES, the application cannot be processed.**

Class A and Class B dealers are required by law to purchase a minimum of two dealer plates.

There is no minimum dealer plate purchase requirement for a Class W dealer.

Class A and Class B dealers may apply for additional plates according to the following formula:

ONE plate for each five vehicles carried in highest inventory, up to and including 400 vehicles. ONE plate for each seven vehicles in excess of 400, up to a maximum of 100 plates.

One plate for each five vehicles carried in highest inventory, up to and including 40 vehicles. One plate for each 10 vehicles in excess of 40, up to a maximum of 40 plates.

12. FEES

Calculate the fees based on the information provided on the application form. Make check or money order payable to **State of Michigan**.

13. WORKERS' COMPENSATION INSURANCE (Classes C and R only)

Other dealers may also need Workers' Compensation Insurance; however, the Michigan Vehicle Code requires used or secondhand vehicle parts dealers and automotive recyclers to provide evidence of workers' compensation insurance for employees classified as automobile dismantlers.

To determine your eligibility for a Notice of Exclusion, contact the Michigan Department of Consumer and Industry Services at (517) 322-1195.
