

# Project Go 2006 Waterloo Recreation Area

Mentoring: Communicating with our Children's Future  
June 10, 2006  
10 a.m. to 5 p.m.

Come join us at Portage Lake for a day to make a positive influence on you children's future. Take pictures with Smokey the Bear, learn how to shoot a bow, learning to fish or a boat ride on the lake are just a few of the things you can do to make this a day to remember. Join us for a trail hike, a live animal program, a day on the beach or wandering through the various demonstrations. It's all here at Waterloo. Come spend the day or just a few hours, but GO-Get Outdoors!

Waterloo Recreation Area  
Portage Lake Unit  
11500 Seymour Rd.  
Grass Lake, MI  
Motor vehicle permit required  
for entrance.
