

WYDOT's move to Gmail

Rusty England
IT Program Manager

Rules of Engagement

- Participate
- Ask questions
- Laugh at my jokes
- Email me later

Wyoming State Map

How we got to Google?

- Wanted enterprise email
- Let RFP & narrowed to 4
- Google Selected

Google Security

FISMA - Certified July 2010

CJIS - Check for latest news

DR - Disaster Recovery Included

Google Postini Services

Hosted security and archiving services.

Security
Discovery
Continuity
Encryption

<http://www.google.com/postini/>

Google Apps

 Email

 Contacts

 Calendar

 Docs

 Sites

Google Apps

Chat

Groups

Video

eDiscovery

25,600 mb Storage

Costs

Google Apps

\$45.00 per user per year

Google Message Discovery

\$25.00 per user per year

Total \$70.00 per user per year

Savings

\$1 million - indirect savings annually.

15 agencies not needing to manage their own email.

Project Timeline

01/2011 - Kickoff

04/2011 - Phase 1

06/2011 - Phase 2

09/2011 - Phase 3

The Plan for Phase 2

3/14 - Preparations Complete

4/18-4/29 - Pre-Migration

5/16-5/27 - Migration

5/30-6/30 - Migration

6/6-6/13 - Training &
Data Moves

6/17-6/20 - Final Migration -
Deltas

6/20 - Go-Live

Training

In person classes

- Self Paced

CD/DVD - Self Paced

Misc Stuff

One common AD

Personal Device Access

Chrome Allowed for Email

Optional Outlook Client

Issues - Things I Miss

- Post-dated email
- Selecting individual emails to forward
- Group Calendar
- Return Receipt

Issues - Project Related

- Normal project coordination & communication
- Vacations, new-hires, terminations

Issues - Since Go-Live

- Domain level access
 - Who should have access?
 - How many per agency?
- Sync to personal devices
- Releases Rapid vs Scheduled

Almost Done

How many are using
Google now?

Try it - get a personal
account.
