

**ADVERTISEMENT FOR BIDS  
CONSTRUCT METAL PREFABRICATED 7-UNIT BOX HANGAR  
AT  
CANTON-PLYMOUTH-METTETAL AIRPORT  
CANTON, MICHIGAN**

Sealed proposals will be received by the STATE OF MICHIGAN in the office of the Airport Manager at the terminal building, Canton-Plymouth-Mettetal Airport, 8550 North Lilley Rd., Canton, Michigan 48187, until 10:00 a.m. on Friday, September 7, 2012 at which time and place proposals will be publicly opened and read aloud.

This project is being bid as a single lump sum item to construct a 7-unit box hangar at the location and to the specifications contained in these contract documents.

Removal and disposal of existing hangar footings on the proposed site and site preparation of grade to within +/-1/2" of finished grade will be by others. This contract will include preparation of final grades and compaction of the hangar site.

Plans and specifications will be on file and may be viewed at the Airport Manager's office, Canton-Plymouth-Mettetal Airport, phone: (734) 459-0012 and at QoE Consulting, 4100 Capital City Blvd., Lansing, MI 48906, ph. (517) 327-1980. A non-refundable fee of thirty-five dollars (\$35.00), check only made payable to QoE Consulting, will be required for the plans and specifications.

A **pre-bid meeting** will be held on **Wednesday, August 15, 2012, at 10:00 a.m.** in the Terminal Building, Canton-Plymouth-Mettetal Airport. A representative from the consultant will meet with prospective bidders to discuss the project and inspect the site.

Bids shall be submitted in a sealed envelope marked "**BOX HANGAR BID**".

A certified or cashier's check or bid bond for a sum not less than five percent (5%) of the amount of the proposal will be required with each proposal. The successful bidder will be required to furnish bonds and insurance as specified.

Proposals shall remain firm and shall not be withdrawn for a period of 45 calendar days after bid opening.

The State of Michigan reserves the right to reject any or all bids and to award the contract to the most responsive and responsible Bidder whose bid is determined to be in its best interest.

Metal Prefabricated 7-Unit Box Hangar

Project No.: state-local

Contract No.: M82-9-C18

**ADDENDUM NO. 01**

August 17, 2012

The following information has been added to or clarifies the bidding documents for referenced contract.

**DBE Requirement:** The established DBE participation requirement for this contract is 8%.

**Clarifications:**

1. Roof overhang shall be a minimum of 1'6". Technical Specifications (TS), pg. 15, para. 2 stating the overhang shall be a minimum 28" should read 18".
2. TS page 15, para. 7 re: Exterior Wall and Roof Panels – exterior wall and roof panel coating is required only on the exterior side. Interior sides can be a factory 'wash' coating.
3. TS, page 17, para. 7 – in lieu of “automatically releasing jamb locks”, jamb locks may be manual, but include safety interlock switches to prevent the door from opening if the jamb locks are not disengaged.
4. TS, page 17, para. 12 - two passage doors are required – one in the canopy bifold door (east side) opening inward and one in the hangar west wall opening outward. Passage door heights of 6'8" to 7'0" will be acceptable.
5. The Occupancy/Risk Category for the hangar is II-B (as noted in Appendix A, Building Permit Application).

Receipt of ADDENDUM NO. 01 must be indicated on Page 1 of 3 of the Bid Proposal.

Bids to be received until 10:00am, Friday, September 7, 2012 at the Airport Terminal Building, 8550 N. Lilley Rd., Canton, MI 48187.
