**Preapproved Professional Service Firms  
for  
Preparation of National Environmental Policy Act (NEPA) Documents**

The following eight firms submitted qualifications, interviewed and were selected by MDOT to prepare Environmental Assessments (EA) and Environmental Impact Statements (EIS) through fiscal year 2014. All documents are to be prepared in accordance with Federal Aviation Administration (FAA) Order 5050.4B and will be negotiated individually from this list. The firm awarded the environmental services contract will NOT be eligible for any design and/or engineering contracts for the same project. Please contact Steve Houtteman, MDOT-Aero at (517) 335-9866 with any questions.
