Snow Removal Equipment
Sawyer International Airport
Marquette, Michigan
Project No. 3-26-0153-3210
Contract No. FM 52-04-C72

Sealed bids and proposals for procurement of a new, all-wheel drive, heavy duty, dual engine cab forward chassis with front-mounted snow blower, and plows will be received from manufacturers and suppliers by **Mead & Hunt, Inc.** at their Lansing, Michigan, office until **2:00 pm local time on May 6, 2011**. All bids should be submitted to:

Mead & Hunt, Inc.
2605 Port Lansing Road
Lansing, MI 48906

Where they will be publicly opened and read on the above date or authorized postponement thereof. The proposed procurement consists of an airport, snow blower with chassis and plows, attachments, accessories and components necessary in accordance with the Sponsor's specifications. Special attention shall be given to the Buy American requirement of this contract. Specifications, general provisions and proposal forms may be viewed electronically or obtained from **Commercial Blueprint** upon request at:

Commercial Blueprint, Inc.
517-372-8360
planroom.comblue.com

All bids must be presented on proposal forms and submitted with the contract documents for this project signed by an authorized representative of the bidder. No telephone, email, fax or telephone bids will be considered. Bid envelopes shall be clearly marked in the lower left hand corner "**SEALED BID: SNOW REMOVAL EQUIPMENT**." The proposed procurement is included in a capital improvement program project undertaken by the Sponsor in accordance with terms and conditions of agreements between the Sponsor and the Federal Aviation Administration. The bidder shall comply with all applicable equal employment opportunity laws and regulations and other labor requirements as detailed therein. Minority business enterprises will be afforded full opportunity to submit bids in response to this solicitation and will not be discriminated against on the grounds of race, color, religion, sex, age or national origin in consideration for an award. The bidder shall comply with all regulatory requirements for federally assisted contracts, including the Michigan Motor Vehicle Code, Contract Work Hours, Safety Standard Act, Copeland Regulations, Department of Transportation Regulations and Clean Air and Water Pollution Control Requirements. The **County of Marquette** reserves the right to waive any informality or to reject any or all bids.

For questions please contact Bob Leisenring with Mead & Hunt, Inc. at 517-321-8334 or bob.leisenring@meadhunt.com

Uncertainty regarding the status of 2011 Federal Airport Improvement Funds may delay or preclude award of this project.
