

The County of Muskegon, MI, is soliciting statements of experience and qualifications to provide professional consulting services, including planning, engineering design, and construction administration for the Muskegon County Airport. The full RFQ is available by logging into and registering at www.mitn.info. Technical questions related to the RFQ can be directed to Marty Piette, A.A.E., Airport Manager, via email only, at piette@co.muskegon.mi.us. Interested consultants are requested to submit their statements of experience and qualifications by 3 p.m. EDT March 9, 2012, to the Muskegon County Purchasing Department.
