2014
Airport Maintenance
Seminar

Date: 07/22/2014

Time: 8:00—4:00

WK Kellogg Airport is pleased to host this year's Airport Maintenance Seminar at the WK Kellogg Airport Administration & Maintenance Facility located at 15551 South Airport Road in Battle Creek, MI. This seminar is open to all members of airport administration and maintenance personnel. Sessions will take place starting at 8:00 am on the 22nd of July with breakfast, lunch and door prizes provided by our exhibitors.

Please RSVP by July 8.

Miles Weaver (269) 966-3528
 mhweaver@battlecreekmi.gov

Block rooms are available for reservation
 until: July 7, 2014

Hampton Inn
 1150 Riverside Drive
 Battle Creek, MI
 (269) 979-5577

This Maintenance Seminar is designed for airport maintenance staff to help them in trouble shooting airport electrical systems, the science of snow plowing and a better understanding of what your pavement is telling you.
