The MDEQ alleges that Davis has violated Section 112 of the federal Clean Air Act ("CAA"), 42 USC 7412, the federal National Emission Standards for Hazardous Air Pollutants ("NESHAP"), Title 40 of the Code of Federal Regulations ("CFR") Part 61, Subpart M and is in violation of 2000 MR 18, R 336.1942 ("Rule 942") in effect on November 30, 2000. The alleged violations occurred during the activities performed at the 431 Helen Street in Otsego, Michigan, and former Riverside Hospital located at 150 Truax, in Trenton, Michigan. Specifically, among other alleged violations, Davis, as the managing member of two separate Limited Liability companies, failed to thoroughly inspect prior to renovation activities and failed to remove RACM before doing any activity that would break up, dislodge, or similarly disturb the material. Finally, Davis did not have an asbestos supervisor on site and failed to seal all asbestos containing waste material in leak tight containers. The

violations are cited herein and in Violation Notices sent on April 3, 2009 and April 14, 2009.

Mr. Michael Davis Jr. and MDEQ stipulate to the termination of this proceeding by entry of a Stipulation for Entry of a Final Order by Consent ("Consent Order").

Davis and MDEQ stipulate as follows:

1. The Natural Resources and Environmental Protection Act, 1994 PA 451, ("Act 451"), MCL 324.101 et seq. is an act to control pollution in this State.

Consent Order") by the AQD Chief.

12. Davis shall achieve compliance with the aforementioned regulations in accordance with the requirements contained in this Consent Order.

GENERAL PROVISIONS

16. This Consent Order constitutes a civil settlement and satisfaction as to the resolution of the violations specifically addressed herein; however, it does not resolve any criminal action that may result from these same violations.

17. Within thirty (30) days after the effective date of this Consent Order, Davis shall pay to the General Fund of the State of Michigan, in the form of a check made payable to the "State of Michigan" and delivered to the Michigan Department of Environmental Quality, Financial and Business Services Division, Revenue Control, P.O. Box 30657, Lansing, Michigan 48909-8157, a settlement amount of \$24,192.00 which includes AQD costs for investigation and enforcement. This total settlement amount shall be paid within thirty (30) days of the effective date of this Consent Order. To ensure proper credit, all payments made pursuant to this Consent Order shall include the Agreement Identification No. AQD 1178 on the face of the check. This settlement amount is in addition to any other fees, taxes, or other

finer that may be imposed on Davis by law.

18. On and after the effective date of this Consent Order, if Davis fails to comply with paragraph 13, 14, or 15 of this Consent Order, the Davis is subject to stipulated fines of \$2,000.00 per violation per day. On and after the effective date of this Consent Order, if Davis fails to comply with any other provision of this Consent Order, Davis is subject to stipulated fines of \$500.00 per violation. The amount of the stipulated fines imposed pursuant to this paragraph shall be within the discretion of the MDEQ. Stipulated fines submitted under this Consent Order shall be by check, payable to the "State of Michigan" within 30 days of demand and shall be delivered to the Michigan Department of Environmental Quality, Financial & Business Services Division, Revenue Control, P.O. 19. The AQD, at its discretion, may seek stipulated fines or statutory fines for any violation of this Consent Order which is also a violation of any provision of applicable federal and state law, rule, regulation, permit, or MDEQ administrative order. However, the AQD is precluded from seeking both a stipulated fine under this Consent Order and a statutory fine for the same violation.

20. To insure timely payment of the settlement amount assessed in paragraph 17 and any stipulated fines assessed pursuant to paragraph 18 of this Consent Order, Davis shall pay an interest penalty to the State of Michigan each time it fails to make a complete or timely payment under this Consent Order. The interest penalty shall be determined at a rate of twelve percent (12%) per year compounded annually, using the full increment of amount due as principle, calculated from the due date specified in this Consent Order until the date that delinquent payment is finally paid in full. Payment of an interest penalty by Davis shall be made to the State of Michigan in accordance with paragraph 18 of this Consent Order. Interest payments shall be applied first towards the most overdue amount or outstanding interest penalty owed by Davis before any remaining balance is applied to subsequent payment amount or interest penalty.

21. Davis agrees not to contest the legal basis for the settlement amount assessed pursuant to paragraph 17. Davis also agrees not to contest the legal basis for any stipulated fines assessed pursuant to paragraph 18 of this Consent Order, but reserves the right to dispute in a court of competent jurisdiction the factual basis upon which a demand by MDEQ of stipulated fines is made. In addition, Davis agrees

that said fines have not been assessed by the MDEQ pursuant to Section 5529 of Part 55 and therefore are not reviewable under Section 5529 of Part 55.

22. This Consent Order shall remain in full force and effect for a period of at least four-years. Thereafter, the Consent Order may be terminated only upon the issuance of a written notice of termination issued by the AQD Chief. Within thirty (30) calendar days, Davis shall also notify the AQD Kalamazoo District Supervisor, in writing, of such sale or transfer, the identity and address of any purchaser or transferee, and confirm the fact that notice of this Consent Order has been given to the purchaser and/or transferee. As a condition of the sale, Davis must obtain the consent of the purchaser and/or transferee, in writing, to assume all of the obligations of this Consent Order. A copy of that agreement shall be forwarded to the AQD Kalamazoo District Supervisor within 30 days of assuming the obligations of this Consent Order.

24. Prior to the effective date of this Consent Order and pursuant to the requirements of Sections 5511 and 5528(3) of Part 55, the public was notified of a 30-day public comment period and was provided the opportunity for a public hearing.

25. Section 5530 Part 55 may serve as a source of authority but not a limitation under which the Consent Order may be enforced. Further, Part 17 of Act 451 and all other applicable laws and any other legal basis or applicable statute may be used to enforce this Consent Order.

26. Davis hereby stipulates that entry of this Consent Order is a result of an action by MDEQ to resolve alleged violations that had allegedly occurred at the facilities located at 431 Helen Street in Otsego,

Michigan and the former Riverside Hospital located at 150 Truax, Trenton, Michigan. Davis further stipulates that it will take all lawful actions necessary to fully comply with this Consent Order, even if Davis files for bankruptcy in the future. Davis will not seek discharge of the settlement amount and any stipulated fines imposed hereunder in any future bankruptcy proceedings, and the Davis will take necessary steps to ensure that the settlement amount and any future stipulated fines are not discharged. Davis, during and after any future bankruptcy proceedings, will ensure that the settlement amount and any future stipulated fines remain an obligation to be paid in full by Davis to the extent allowed by applicable bankruptcy law.

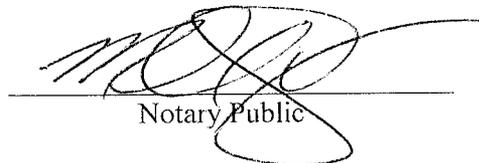

The undersigned certifies that he/she is fully authorized by Davis to enter into this Consent Order and to execute and legally bind Davis to it.
