Attorney General  
State of Michigan  
P.O. Box 30212

Dear General Cox:

On behalf of Ford Motor Company, I want to thank you for sharing home Internet safety information with employees through your Michigan CSI program. Your commitment to educating families on how to protect their children from Internet predators is extremely valuable to Michigan residents.

We have received positive feedback from hundreds of employees who attended the Michigan CSI presentations. It is our view that as employees understand the importance of protecting their children and their personal data at home, they will become more vigilant in safeguarding Ford Motor Company's data.

Again, I appreciate your work in this area and wish you continued success.

Sincerely,
