

ONLINE SAFETY RESOURCES

AWARE!

AVOID!

ACTION!

CONSIDER THE SOURCE:

- Never trust a link sent to you by someone you don't know.
- Never trust an email that asks for personal information.
- Never believe that someone you don't know is going to give you money.
- Foreign lotteries are illegal in the United States. You cannot win no matter what they say!
- Someone who wants you to wire money back is giving you a counterfeit check.
- The smarter scams often contain text warning you against fraud.
- Check if the website you are visiting is secure by looking for <https://>
