Oh no, see another side of you, just a side. I think you can change if you want to. You can stop when you want, when you want to. Now I see another side, oh when you decide we all need lookin out. I think you can change if you want to.

Male student: *(To the custodian)* Hey, hey watch what you're doing.

2nd Song continued: I think you can change if you want to. Just stop when you want, whenever you want to.

Custodian: *(Custodian hands the male student a pair of glasses)* Excuse me, I think you dropped those.

2nd Song continued: Now you decide. So come on, come on you mean look. Come on, come on give a mean look now.

Male student: I don't need glasses. (*Custodian disappeared. Student puts on the glasses and the music changes*)

3rd Song: Breath Me by Sia

Help, I have done it again
I have been here many times before
Hurt myself again today
And the worst part is there's no one else to blame
Be my friend, hold me
Wrap me up, unfold me

Warm me up and breathe me

3rd Song: Breath Me by Sia – Entire lyrics of song

Help, I have done it again
I have been here many times before
Hurt myself again today
And the worst part is there's no one else to blame
Be my friend, hold me
Wrap me up, unfold me
I am small, I'm needy
Warm me up and breathe me
Ouch, I have lost myself again
Lost myself and I am nowhere to be found
Yeah, I think that I might break
Lost myself again and I feel unsafe
Be my friend, hold me
Wrap me up, unfold me
I am small, I'm needy
Warm me up and breathe me
Be my friend, hold me
Wrap me up, unfold me
I am small, I'm needy
Warm me up and breathe me
