9 case planning. Reimbursements for housing during the assessment process shall be at the  
10 rate of \$43.50 per day per offender, up to a maximum of 5 days per offender.

11 Sec. 4-418. (1) The department shall collaborate with the state court administrative  
12 office on facilitating changes to Michigan court rules that would require the court to  
13 collect at the time of sentencing the state operator's license, state identification card,  
14 or other documentation used to establish the identity of the individual to be admitted to  
15 the department. The department shall maintain those documents in the prisoner's personal  
16 file.

18 which prisoners can obtain their Michigan birth certificates if necessary. The department

20 situations where the prisoner's effort fails, the department shall assist in obtaining the  
21 birth certificate.

22 (3) The department shall collaborate with the department of military and veterans  
23 affairs to create and maintain a process by which prisoners can obtain a copy of their DD  
24 Form 214 or other military discharge documentation if necessary.

25 Sec. 4-419. (1) The department shall provide monthly electronic mail reports to the  
26 senate and house appropriations subcommittees on corrections, the legislative corrections

28 in a county jail.

29 Sec. 4-502. Funds included in part 1 for the sheriffs' coordinating and training  
30 office are appropriated for and may be expended to defray costs of continuing education,  
31 certification, recertification, decertification, and training of local corrections  
32 officers, the personnel and administrative costs of the sheriffs' coordinating and training

1 office, the local corrections officers advisory board, and the sheriffs' coordinating and  
2 training council under the local corrections officers training act, 2003 PA 125, MCL  
3 791.531 to 791.546.

4  
5 **FIELD OPERATIONS ADMINISTRATION**

6 Sec. 4-603. (1) All prisoners, probationers, and parolees involved with the curfew  
7 monitoring program shall reimburse the department for costs associated with their  
8 participation in the program. The department may require community service work  
9 reimbursement as a means of payment for those able-bodied individuals unable to pay for the  
10 costs of the equipment.

11 (2) Program participant contributions and local program reimbursement for the curfew  
12 monitoring program appropriated in part 1 are related to program expenditures and may be  
13 used to offset expenditures for this purpose.

14 (3) Included in the appropriation in part 1 is adequate funding to implement the  
15 curfew monitoring program to be administered by the department. The curfew monitoring  
16 program is intended to provide sentencing judges and county sheriffs in coordination with  
17 local community corrections advisory boards access to the state's curfew monitoring program  
18 to reduce prison admissions and improve local jail utilization. The department shall  
19 determine the appropriate distribution of the curfew monitor units throughout the state  
20 based upon locally developed comprehensive corrections plans under the community  
21 corrections act, 1988 PA 511, MCL 791.401 to 791.414.

22 (4) For a fee determined by the department, the department shall provide counties  
23 with the curfew monitor equipment, replacement parts, administrative oversight of the  
24 equipment's operation, notification of violators, and periodic reports regarding county  
25 program participants. Counties are responsible for curfew monitor equipment installation  
26 and service. For an additional fee as determined by the department, the department shall  
27 provide staff to install and service the equipment. Counties are responsible for the  
28 coordination and apprehension of program violators.

29 (5) Any county with curfew monitor charges outstanding over 60 days shall be  
30 considered in violation of the community curfew monitor program agreement and lose access  
31 to the program.

32 Sec. 4-615. The department shall submit a report containing a list detailing the

1 number of prisoners who have received life imprisonment sentences with the possibility of  
2 parole and who are currently eligible for parole to the senate and house appropriations  
3 subcommittees on corrections, the senate and house fiscal agencies, the legislative  
4 corrections ombudsman, and the state budget director by January 1.

5 Sec. 4-616. The parole board shall review its policies related to the review and  
6 parole of those offenders serving a parolable life sentence with consideration given to  
7 those that do not pose an ongoing risk to society.

8

9 **HEALTH CARE**

10 Sec. 4-804. The department shall report quarterly to the senate and house  
11 appropriations subcommittees on corrections, the legislative corrections ombudsman, the  
12 senate and house fiscal agencies, and the state budget director on prisoner health care  
13 utilization. The report shall include the number of inpatient hospital days, outpatient  
14 visits, emergency room visits, and prisoners receiving off-site inpatient medical care in  
15 the previous quarter, by facility.

16 Sec. 4-805. From the funds appropriated in part 1 for substance abuse testing and  
17 treatment services, the department shall implement the living in recovery program serving  
18 at least 500 offenders in the current fiscal year. The purpose of this new program is to  
19 cost effectively target relapse prevention and help develop sobriety support systems to  
20 deter further criminal behavior and recidivism. The department will track the outcome of  
21 the program to determine the number of participants that succeeded, the number that failed  
22 and were returned to prison, and the number that failed, but were not returned to prison.

23 Sec. 4-806. From the funds appropriated in part 1 for clinical and mental health  
24 services and support, the department shall expand its mental health treatment and sex  
25 offender treatment programs. The purpose of this enhancement is to address increased  
26 caseloads, reduce the number of prisoners on the waiting list of prisoners who are past  
27 their earliest release date, and reduce the percentage of prisoners readmitted to mental  
28 health programs at their previous level of care.

29

30 **CORRECTIONAL FACILITIES ADMINISTRATION**

31 Sec. 4-906. Any local unit of government or private nonprofit organization that  
32 contracts with the department for public works services shall be responsible for financing

1 the entire cost of such an agreement.

2 Sec. 4-907. The department shall report by March 1 to the senate and house  
3 appropriations subcommittees on corrections, the legislative corrections ombudsman, the  
4 senate and house fiscal agencies, and the state budget director on academic and vocational  
5 programs. The report shall provide information relevant to an assessment of the  
6 department's academic and vocational programs, including, but not limited to, all of the  
7 following:

8 (a) The number of instructors and the number of instructor vacancies, by program and  
9 facility.

10 (b) The number of prisoners enrolled in each program, the number of prisoners  
11 completing each program, the number of prisoners transferred to another facility while  
12 enrolled in a program and the reason for transfer, the number of prisoners enrolled who  
13 repeat the program, and the number of prisoners on waiting lists for each program, all  
14 itemized by facility.

15 (c) The steps the department has undertaken to improve programs, track records,  
16 accommodate transfers and prisoners with health care needs, and reduce waiting lists.

17 (d) The number of prisoners paroled without a high school diploma and the number of  
18 prisoners paroled without a high school equivalency.

19 (e) An explanation of the value and purpose of each program, for example, to improve  
20 employability, reduce recidivism, reduce prisoner idleness, or some combination of these  
21 and other factors.

22 (f) An identification of program outcomes for each academic and vocational program.

23 (g) An explanation of the department's plans for academic and vocational programs.

24 (h) The number of prisoners not paroled at their earliest release date due to lack of  
25 a high school equivalency, and the reason those prisoners have not obtained a high school  
26 equivalency.

27 Sec. 4-910. The department shall allow the Michigan Braille transcribing fund program  
28 to operate at its current location. The donation of the building by the Michigan Braille  
29 transcribing fund at the G. Robert Cotton Correctional Facility in Jackson is acknowledged  
30 and appreciated. The department shall continue to encourage the Michigan Braille  
31 transcribing fund program to produce high-quality materials for use by the visually  
32 impaired.

1           Sec. 4-913. (1) Any prisoner required to complete a violence prevention program,  
2 sexual offender program, or other program as a condition of parole shall be transferred to  
3 a facility where that program is available in order to accomplish timely completion of that  
4 program prior to the expiration of his or her minimum sentence and eligibility for parole.  
5 Nothing in this section should be deemed to make parole denial appealable in court.

6           (2) The department shall submit a biannual report to the members of the senate and  
7 house appropriations subcommittees on corrections, the senate and house fiscal agencies,  
8 the state budget director, and the legislative corrections ombudsman detailing enrollment  
9 in sex offender programming, assaultive offender programming, violent offender programming,  
10 and thinking for change. At a minimum, the report shall include the following:

11           (a) A full accounting of the number of individuals who are required to complete the  
12 programming, but have not yet done so.

13           (b) The number of individuals who have reached their earliest release date, but who  
14 have not completed required programming.

15           (c) A plan of action for addressing any waiting lists or backlogs for programming  
16 that may exist.

17           Sec. 4-924. The department shall evaluate all prisoners at intake for substance abuse  
18 disorders, serious developmental disorders, serious mental illness, and other mental health  
19 disorders. Prisoners with serious mental illness or serious developmental disorders shall  
20 not be removed from the general population as a punitive response to behavior caused by  
21 their serious mental illness or serious developmental disorder. Due to persistent high  
22 violence risk or severe disruptive behavior that is unresponsive to treatment, prisoners  
23 with serious mental illness or serious developmental disorders may be placed in secure  
24 residential housing programs that will facilitate access to institutional programming and  
25 ongoing mental health services. A prisoner with serious mental illness or serious  
26 developmental disorder who is confined in these specialized housing programs shall be  
27 evaluated or monitored by a medical professional at a frequency of not less than every 12  
28 hours.

29           Sec. 4-925. By March 1, the department shall report to the senate and house  
30 appropriations subcommittees on corrections, the senate and house fiscal agencies, the  
31 legislative corrections ombudsman, and the state budget director on the annual number of  
32 prisoners in administrative segregation between October 1, 2016 and September 30, 2017, and

1 the annual number of prisoners in administrative segregation between October 1, 2016 and  
2 September 30, 2017 who at any time during the current or prior prison term were diagnosed  
3 with serious mental illness or have a developmental disorder and the number of days each of  
4 the prisoners with serious mental illness or a developmental disorder have been confined to  
5 administrative segregation.

6 Sec. 4-929. From the funds appropriated in part 1, the department shall do all of the  
7 following:

8 (a) Ensure that any inmate care and control staff in contact with prisoners less than  
9 18 years of age are adequately trained with regard to the developmental and mental health  
10 needs of prisoners less than 18 years of age. By April 1, the department shall report to  
11 the senate and house appropriations subcommittees on corrections, the senate and house  
12 fiscal agencies, and the state budget director on the training curriculum used and the  
13 number and types of staff receiving annual training under that curriculum.

14 (b) Provide appropriate placement for prisoners less than 18 years of age who have  
15 serious mental illness, serious emotional disturbance, or a serious developmental disorder  
16 and need to be housed separately from the general population. Prisoners less than 18 years  
17 of age who have serious mental illness, serious emotional disturbance, or a serious  
18 developmental disorder shall not be removed from an existing placement as a punitive  
19 response to behavior caused by their serious mental illness, serious emotional disturbance,  
20 or a serious developmental disorder. Due to persistent high violence risk or severe  
21 disruptive behavior that is unresponsive to treatment, prisoners less than 18 years of age  
22 with serious emotional disturbance, serious mental illness, or serious developmental  
23 disorders may be placed in secure residential housing programs that will facilitate access  
24 to institutional programming and ongoing mental health services. A prisoner less than 18  
25 years of age with serious mental illness, serious emotional disturbance, or a serious  
26 developmental disorder who is confined in these specialized housing programs shall be  
27 evaluated or monitored by a medical professional at a frequency of not less than every 12  
28 hours.

29 (c) Implement a specialized re-entry program that recognizes the needs of prisoners  
30 less than 18 years old for supervised re-entry.

31

32 **INFORMATION TECHNOLOGY**

1           Sec. 4-1000. From the funds appropriated in part 1 for information technology  
2 services and projects, the department shall expand bandwidth in 27 correctional facilities  
3 and 113 field operations offices. The purpose of this bandwidth expansion is to support  
4 critical information technology systems that provide platforms for several mandated  
5 programs and department cost savings efforts.

6

7           **ONE-TIME APPROPRIATIONS**

8           Sec. 4-1100. From the funds appropriated in part 1 for new custody staff training,  
9 the department will increase the training capacity for new custody staff by 350 officers.  
10 The purpose of this academy is to address higher than normal attrition of correction  
11 officers and decrease overtime costs.

20 telecommunications on 2-1-1 system performance, including, but not limited to, call volume  
21 by health and human service needs and unmet needs identified through caller data and  
22 customer satisfaction metrics.

23 Sec. 8-316. From the funds appropriated in part 1 for terminal leave pay outs and

26 budgetary line item supporting administrative costs, as provided by section 393(2) of the  
27 management and budget act, 1984 PA 431, MCL 18.1393.

28  
29 **CHILD SUPPORT ENFORCEMENT**

30 Sec. 8-401. (1) The appropriations in part 1 assume a total federal child support  
31 incentive payment of \$26,500,000.00.

32 (2) From the federal money received for child support incentive payments,

1 \$12,000,000.00 shall be retained by the state and expended for child support program  
2 expenses.

3 (3) From the federal money received for child support incentive payments,  
4 \$14,500,000.00 shall be paid to the counties based on each county's performance level for  
5 each of the federal performance measures as established in 45 CFR 305.2.

6 (4) If the child support incentive payment to the state from the federal government  
7 is greater than \$26,500,000.00, then 100% of the excess shall be retained by the state and  
8 is appropriated until the total retained by the state reaches \$15,397,400.00.

9 (5) If the child support incentive payment to the state from the federal government  
10 is greater than the amount needed to satisfy the provisions identified in subsections (1),  
11 (2), (3), and (4), the additional funds shall be subject to appropriation by the  
12 legislature.

13 (6) If the child support incentive payment to the state from the federal government

19 supplement and not supplant county title IV-D funding.

20 (2) Each county whose retained child support collections in the current fiscal year  
21 exceed its fiscal year 2004-2005 retained child support collections, excluding tax offset  
22 and financial institution data match collections in both the current year and fiscal year  
23 2004-2005, shall receive its proportional share of the 75% excess.

25 state budget director is authorized to adjust the sources of financing for the funds  
26 appropriated in part 1 for legal support contracts to reduce federal authorization by 66%  
27 of the escheated amount and increase general fund/general purpose authorization by the same  
28 amount. This budget adjustment is required to offset the loss of federal revenue due to the  
29 escheated amount being counted as title IV-D program income in accordance with federal  
30 regulations at 45 CFR 304.50.

31 (2) The department shall notify the chairs of the house and senate appropriations  
32 subcommittees on the department budget and the house and senate fiscal agencies within 15

3 received family preservation services.

4 (2) From the funds appropriated in part 1 for youth in transition and domestic  
5 violence prevention and treatment, the department is authorized to make allocations of TANF  
6 funds only to agencies that report necessary data to the department for the purpose of

12 PIHPs to support the Medicaid managed mental health care program in the preceding month.  
13 The information shall include the total paid to each PIHP, per capita rate paid for each  
14 eligibility group for each PIHP, and number of cases in each eligibility group for each  
15 PIHP, and year-to-date summary of eligibles and expenditures for the Medicaid managed  
16 mental health care program.

17 Sec. 8-928. Each PIHP shall provide, from internal resources, local funds to be used  
18 as part of the state match required under the Medicaid program in order to increase  
19 capitation rates for PIHPs. These funds shall not include either state funds received by a  
20 CMHSP for services provided to non-Medicaid recipients or the state matching portion of the  
21 Medicaid capitation payments made to a PIHP.

4 limited to, the following.

5 (a) Increase in applied behavioral analysts certified from a program.

6 (b) Autism diagnostic services provided.

7 (c) Employment rate of employment program participants.

8 Sec. 8-995. From the funds appropriated in part 1 for behavioral health program  
9 administration, \$4,350,000.00 is intended to address the recommendations of the mental  
10 health diversion council.

11 Sec. 8-1003. The department shall notify the Michigan Association of Community Mental  
12 Health Boards when developing policies and procedures that will impact PIHPs or CMHSPs.

14 achieve more uniformity in capitation payments made to the PIHPs by March 1<sup>st</sup> of the current  
15 fiscal year.

16 Sec. 8-1005. For the purposes of special projects involving high-need children or  
17 adults, including the not guilty by reason of insanity population, the department may  
18 contract directly with providers of services to these identified populations.

19 Sec. 8-1006. No later than June 1 of the current fiscal year, the department shall  
20 provide the house and senate appropriations subcommittees on the department budget, the  
21 house and senate fiscal agencies, and the state budget office with the most recent cost  
22 data information submitted by the CMHSPs on how the funds appropriated in part 1 for the  
23 community mental health services non-Medicaid services line item were expended by each  
24 CMHSP. At a minimum, the information must include CMHSPs general fund/general purpose costs  
25 for each of the following categories: administration, prevention, jail diversion and  
26 treatment services, MIChild program, children's waiver home care program, children with  
27 serious emotional disturbance waiver program, services provided to individuals with mental  
28 illness and developmental disabilities who are not eligible for Medicaid, and the Medicaid  
29 spenddown population.

30 Sec. 8-1007. (1) From the funds appropriated in part 1 for behavioral health program  
31 administration, the department shall maintain a psychiatric residential treatment facility  
32 and children's behavioral action team. These services will augment the continuum of

1 behavioral health services for high-need youth and provide additional continuity of care  
2 and transition into supportive community-based services.

3 (2) Outcomes and performance measures for this initiative include, but are not  
4 limited to, the following:

5 (a) The rate of rehospitalization for youth served through the program at 30 and 180  
6 days.

7 (b) Measured change in the Child and Adolescent Functional Assessment Scale for  
8 children served through the program.

9 Sec. 8-1008. The PIHP shall do all of the following:

10 (a) Work to reduce administration costs by ensuring that PIHP responsible functions  
11 are efficient to allow optimal transition of dollars to direct services. This process must  
12 include limiting duplicate layers of administration and minimizing PIHP-delegated services  
13 that may result in higher costs or inconsistent service delivery, or both.

14 (b) Take an active role in managing mental health care by ensuring consistent and  
15 high-quality service delivery throughout its network and promote a conflict-free care  
16 management environment.

17 (c) Ensure that direct service rate variances are related to the level of need or  
18 other quantifiable measures to ensure that the most money possible reaches direct services.

19 (d) Promote fair and adequate direct care reimbursement, including fair wages for  
20 direct service workers.

21 Sec. 8-1009. The department shall provide a progress report on implementation of  
22 recommendations from work with PIHP network providers to analyze the workforce challenges

30 **STATE PSYCHIATRIC HOSPITALS AND FORENSIC MENTAL HEALTH SERVICES**

31 Sec. 8-1051. The department shall continue a revenue recapture project to generate  
32 additional revenues from third parties related to cases that have been closed or are

1 inactive. A portion of revenues collected through project efforts may be used for  
2 departmental costs and contractual fees associated with these retroactive collections and  
3 to improve ongoing departmental reimbursement management functions.

4 Sec. 8-1052. The purpose of gifts and bequests for patient living and treatment  
5 environments is to use additional private funds to provide specific enhancements for  
6 individuals residing at state-operated facilities. Use of the gifts and bequests shall be  
7 consistent with the stipulation of the donor. The expected completion date for the use of  
8 gifts and bequests donations is within 3 years unless otherwise stipulated by the donor.

9 Sec. 8-1055. (1) The department shall not implement any closures or consolidations of  
10 state hospitals, centers, or agencies until CMHSPs or PIHPs have programs and services in  
11 place for those individuals currently in those facilities and a plan for service provision  
12 for those individuals who would have been admitted to those facilities.

13 (2) All closures or consolidations are dependent upon adequate department-approved  
14 CMHSP and PIHP plans that include a discharge and aftercare plan for each individual  
15 currently in the facility. A discharge and aftercare plan shall address the individual's  
16 housing needs. A homeless shelter or similar temporary shelter arrangements are inadequate  
17 to meet the individual's housing needs.

18 (3) Four months after the certification of closure required in section 19(6) of the  
19 state employees' retirement act, 1943 PA 240, MCL 38.19, the department shall provide a  
20 closure plan to the house and senate appropriations subcommittees on the department budget  
21 and the state budget director.

22 (4) Upon the closure of state-run operations and after transitional costs have been  
23 paid, the remaining balances of funds appropriated for that operation shall be transferred  
24 to CMHSPs or PIHPs responsible for providing services for individuals previously served by  
25 the operations.

26 Sec. 8-1056. The department may collect revenue for patient reimbursement from first-  
27 and third-party payers, including Medicaid and local county CMHSP payers, to cover the cost  
28 of placement in state hospitals and centers. The department is authorized to adjust  
29 financing sources for patient reimbursement based on actual revenues earned. If the revenue  
30 collected exceeds current year expenditures, the revenue may be carried forward with  
31 approval of the state budget director. The revenue carried forward shall be used as a first  
32 source of funds in the subsequent year.

1           Sec. 8-1058. Effective October 1 of the current fiscal year, the department, in  
2 consultation with the department of technology, management and budget may maintain a bid  
3 process to identify 1 or more private contractors to provide food service and custodial  
4 services for the administrative areas at any state hospital identified by the department as  
5 capable of generating savings through the outsourcing of such services.

6           Sec. 8-1059. (1) From the increased funds appropriated in part 1 for center for  
7 forensic psychiatry, the department shall open an additional wing at the center for  
8 forensic psychiatry in the current fiscal year. The purpose of this program is to provide  
9 additional capacity for specialized services to criminal defendants who are adjudicated as  
10 incompetent to stand trial and not guilty by reason of insanity.

11           (2) The department shall identify specific outcomes and performance measures for this  
12 initiative, including, but not limited to the following:

13           (a) The average wait time for person ruled incompetent to stand trial before  
14 admission to the center for forensic psychiatry.

15           (b) The average wait time for persons ruled incompetent to stand trial before  
16 admission to other state operated psychiatric facilities.

17           (c) The number of persons waiting to receive services at the center for forensic  
18 psychiatry.

19           (d) The number of persons waiting to receive services at other state operated  
20 hospitals and centers.

21

22           **HEALTH POLICY**

23           Sec. 8-1143. The department may award health innovation grants to address emerging  
24 issues and encourage cutting edge advances in health care including strategic partners in  
25 both the public and private sectors.

26           Sec. 8-1144. (1) From the funds appropriated in part 1 for health policy  
27 administration, the department shall allocate the federal state innovation model grant  
28 funding that supports implementation of the health delivery system innovations detailed in  
29 this state's "Reinventing Michigan's Health Care System: Blueprint for Health Innovation"  
30 document. This initiative will test new payment methodologies, support improved population  
31 health outcomes, and support improved infrastructure for technology and data sharing and  
32 reporting. The funds will be used to provide financial support directly to regions

1 participating in the model test and to support statewide stakeholder guidance and technical  
2 support.

3 (2) Outcomes and performance measures for the initiative under subsection (1)  
4 include, but are not limited to, the following:

5 (a) Increasing the number of physician practices fulfilling patient-centered medical  
6 home functions.

7 (b) Reducing inappropriate health utilization, specifically reducing preventable  
8 emergency department visits, reducing the proportion of hospitalizations for ambulatory  
9 sensitive conditions, and reducing this state's 30-day hospital readmission rate.

10 (3) By March 1 and September 1 of the current fiscal year, the department shall  
11 submit a written report to the house and senate appropriations subcommittees on the  
12 department budget, the house and senate fiscal agencies, and the state budget office on the  
13 status of the program and progress made since the prior report.

14 Sec. 8-1146. From the funds appropriated in part 1 for bone marrow transplant  
15 registry, \$250,000.00 shall be allocated to Michigan Blood, the partner of the match  
16 registry of the national marrow donor program. The funds shall be used to offset ongoing  
17 tissue typing expenses associated with donor recruitment and collection services and to  
18 expand those services to better serve the citizens of this state.

19

20 **DISEASE CONTROL, PREVENTION, AND EPIDEMIOLOGY**

21 Sec. 8-1180. From the funds appropriated in part 1 for the healthy homes program, no  
22 less than \$1,750,000.00 shall be allocated for lead abatement of homes.

23 Sec. 8-1181. The department shall implement a plan designed to improve Michigan's  
24 childhood and adolescent immunization rates. The department shall engage organizations  
25 working to provide immunizations and education about the value of vaccines, including, but  
26 not limited to, statewide organizations representing health care providers, local public  
27 health departments, child health interest groups, and private foundations with a mission to  
28 increase immunization rates.

29 Sec. 8-1182. From the funds appropriated in part 1 for immunization programs, for  
30 every \$4.00 in private matching funds received, this state shall allocate \$1.00, up to

The amount appropriated in part 1 for implementation of the 1993 additions of or amendments to sections 9161, 16221, 16226, 17014, 17015, and 17515 of the public health code, 1978 PA 368, MCL 333.9161, 333.16221, 333.16226, 333.17014, 333.17015, and 333.17515, shall be used to reimburse local health departments for costs incurred related to implementation of section 17015(18) of the public health code, 1978 PA 368, MCL 333.17015.

Sec. 8-1221. If a county that has participated in a district health department or an associated arrangement with other local health departments takes action to cease to participate in such an arrangement after October 1 of the current fiscal year, the department shall have the authority to assess a penalty from the local health department's operational accounts in an amount equal to no more than 6.25% of the local health department's essential local public health services funding. This penalty shall only be assessed to the local county that requests the dissolution of the health department.

Sec. 8-1222. (1) Funds appropriated in part 1 for essential local public health services shall be prospectively allocated to local health departments to support immunizations, infectious disease control, sexually transmitted disease control and prevention, hearing screening, vision services, food protection, public water supply, private groundwater supply, and on-site sewage management. Food protection shall be provided in consultation with the department of agriculture and rural development. Public water supply, private groundwater supply, and on-site sewage management shall be provided in consultation with the department of environmental quality.

(2) Local public health departments shall be held to contractual standards for the services in subsection (1).

21 new mothers in the maternal infant health program.

22 Sec. 8-1764. The department shall annually certify whether rates paid to Medicaid  
23 health plans and specialty prepaid inpatient health plans are actuarially sound in  
24 accordance with federal requirements and shall provide a copy of the rate certification and  
25 approval of rates paid to Medicaid health plans and specialty prepaid inpatient health  
26 plans within 5 business days after certification or approval to the house and senate  
27 appropriations subcommittees on the department budget, the house and senate fiscal agencies  
28 and the state budget office. When calculating the annual actuarial soundness adjustment,  
29 the department shall take into account all Medicaid policy bulletins affecting Medicaid  
30 health plans or specialty prepaid inpatient health plans issued after the most recent  
31 actuarial soundness process concluded.

32 Sec. 8-1775. (1) By March 1 and September 1 of the current fiscal year, the

1 department shall report to the senate and house appropriations subcommittees on the  
2 department budget, the senate and house fiscal agencies, and the state budget office on  
3 progress in implementing the waiver to implement managed care for individuals who are  
4 eligible for both Medicare and Medicaid, known as MI Health Link, including, but not  
5 limited to, a description of how the department intends to ensure that service delivery is  
6 integrated, how key components of the proposal are implemented effectively, and any  
7 problems and potential solutions as identified by the ombudsman described in subsection  
8 (2).

9 (2) The department shall ensure the existence of an ombudsman program that is not  
10 associated with any project service manager or provider to assist MI Health Link  
11 beneficiaries with navigating complaint and dispute resolution mechanisms and to identify  
12 problems in the demonstrations and in the complaint and dispute resolution mechanisms.

13 Sec. 8-1800. For the distribution of each of the pools within the \$85,000,000.00  
14 outpatient disproportionate share hospital payment, the department shall develop a formula  
15 for the distribution of each pool based on the quality of care, cost, traditional  
16 disproportionate share hospital factors such as Medicaid utilization and uncompensated  
17 care, and any other factor that the department determines should be considered. By May 1 of  
18 the current fiscal year, the department shall report to the senate and house appropriations  
19 subcommittees on the department budget, the senate and house fiscal agencies, and the state  
20 budget office on the distribution of each pool.

21 Sec. 8-1801. From the funds appropriated in part 1 for physician services and health  
22 plan services, the department shall use \$33,318,800.00 in general fund/general purpose plus  
23 associated federal match to continue the increase to Medicaid rates for primary care  
24 services provided only by primary care providers. For the purpose of this section, a  
25 primary care provider is a physician, or a practitioner working under the personal  
26 supervision of a physician, who is board-eligible or certified with a specialty designation  
27 of family medicine, general internal medicine, or pediatric medicine, or a provider who  
28 provides the department with documentation of equivalency. The department shall examine  
29 including the subspecialty of neonatal medicine in its definition of primary care provider.  
30 Providers performing a service and whose primary practice is as a non-primary-care  
31 subspecialty is not eligible for the increase. The department shall establish policies that  
32 most effectively limit the increase to primary care providers for primary care services

1 only.

2           Sec. 8-1802. From the funds appropriated in part 1, a lump-sum payment shall be made  
3 to hospitals that qualified for rural hospital access payments in fiscal year 2013-2014 and  
4 that provide obstetrical care in the current fiscal year. The payment shall be calculated  
5 as \$830.00 for each obstetrical care case payment and each newborn care case payment for  
6 all such cases billed by the qualified hospitals for fiscal year 2012-2013 and shall be  
7 paid through the Medicaid health plan hospital rate adjustment process by January 1 of the  
8 current fiscal year.

9           Sec. 8-1804. The department, in cooperation with the department of military and  
10 veterans affairs, shall work with the federal public assistance reporting information  
11 system to identify Medicaid recipients who are veterans and who may be eligible for federal  
12 veterans health care benefits or other benefits.

13           Sec. 8-1806. (1) The department may establish performance standards to measure  
14 progress in the implementation of the common formulary used by all contracted Medicaid  
15 health plans.

16           (2) The ongoing implementation of the common formulary must include consideration of  
17 the department's preferred drug list.

18           (3) To achieve the objective of low net cost, the contracted health plans may use  
19 evidence-based utilization management techniques in the implementation of the common  
20 formulary.

21           (4) The contracted health plans and the department shall continue to facilitate and  
22 emphasize the value of increased participation in the use of e-prescribing and electronic  
23 medical records.

24           Sec. 8-1810. The department shall enhance encounter data reporting processes and  
25 develop rules that would make each health plan's encounter data as complete as possible,  
26 provide a fair measure of acuity for each health plan's enrolled population for risk  
27 adjustment purposes, capitation rate setting, diagnosis-related group rate setting, and  
28 research and analysis of program efficiencies while minimizing health plan administrative  
29 expense.

30           Sec. 8-1812. (1) By June 1 of the current fiscal year, the department shall require  
31 each hospital that receives funds appropriated in part 1 for graduate medical education to  
32 submit a report disclosing all direct and indirect costs associated with the residency

1 training program to the department, the house and senate appropriations subcommittees on  
2 the department budget, the house and senate fiscal agencies and the state budget office.

3 (2) By August 1 of the current fiscal year, the department shall require each  
4 hospital that receives funds appropriated in part 1 for graduate medical education to  
5 submit a report identifying and explaining the following:

6 (a) The marginal cost to add 1 additional residency training program slot.

7 (b) The number of additional slots that would result in the need to add additional  
8 administrative costs to oversee the residents in the training program.

9 (c) The postresidency retention rate for the residency training program.

10 (3) The department shall hold graduate medical education recipients' fourth quarter  
11 payments until the submission of the information required in subsections (1) and (2).

12 (4) The department shall convene a workgroup to use the reports submitted under  
13 subsections (1) and (2) to assist in the development of metrics for distribution of  
14 graduate medical education funds and shall report to the senate and house appropriations  
15 subcommittees on the department budget and the senate and house fiscal agencies on the  
16 results of the workgroup by September 30 of the current fiscal year.

17 (5) If needed, the department shall seek a federal waiver to fulfill the requirements  
18 of this section.

19 Sec. 8-1837. The department shall continue, and expand where appropriate, utilization  
20 of telemedicine and telepsychiatry as strategies to increase access to services for  
21 Medicaid recipients in medically underserved areas.

22 Sec. 8-1846. From the funds appropriated in part 1 for graduate medical education,  
23 the department shall distribute the funds with an emphasis on the following health care  
24 workforce goals:

25 (a) The encouragement of the training of physicians in specialties, including primary  
26 care, that are necessary to meet the future needs of residents of this state.

27 (b) The training of physicians in settings that include ambulatory sites and rural  
28 locations.

29 Sec. 8-1866. (1) From the funds appropriated in part 1 for hospital services and  
30 therapy and health plan services, \$12,000,000.00 in general fund/general purpose revenue  
31 and any associated federal match shall be awarded to hospitals that meet criteria  
32 established by the department for services to low-income rural residents. One of the

1 reimbursement components of the distribution formula shall be assistance with labor and  
2 delivery services.

3 (2) No hospital or hospital system shall receive more than 10.0% of the total funding  
4 referenced in subsection (1).

5 (3) To allow hospitals to understand their rural payment amounts under this section,  
6 the department shall provide hospitals with the methodology for distribution under this  
7 section and provide each hospital with its applicable data that are used to determine the  
8 payment amounts by August 1 of the current fiscal year. The department shall publish the  
9 distribution of payments for the current fiscal year and the immediately preceding fiscal  
10 year.

11 (4) The department shall report to the senate and house appropriations subcommittees  
12 on the department budget, the senate and house fiscal agencies, and the state budget office  
13 on the distribution of funds referenced in subsection (1) by April 1 of the current fiscal  
14 year.

15 Sec. 8-1888. The department shall establish contract performance standards associated  
16 with the capitation withhold provisions for Medicaid health plans in advance of the  
17 implementation of those standards. The determination of whether performance standards have  
18 been met shall be based primarily on recognized concepts such as 1-year continuous  
19 enrollment and the healthcare effectiveness data and information set, HEDIS, audited data.

20 Sec. 8-1894. (1) From the funds appropriated in part 1 for dental services, the  
21 department shall expand the healthy kids dental program to all children in Kent, Oakland,

27 visited the dentist in the prior year.

28 (b) The number of dentists in Kent, Oakland, and Wayne Counties who will accept  
29 Medicaid payment for services to children.

30 (c) The change in dental utilization in Kent, Oakland, and Wayne Counties, before and  
31 after full implementation of the healthy kids dental expansion in these counties.

4 discretionary grant in this manner, that county law enforcement agency shall require the  
5 receiving municipal law enforcement agency to provide a report on how that grant was spent.  
6 Reports from municipal law enforcement agencies shall be included as part of the report

15 firefighters training council act, 1966 PA 291, MCL 29.374, the amount appropriated in part  
16 1 for firefighter training grants shall be allocated pursuant to section 14(2) of the  
17 firefighters training council act, 1966 PA 291, MCL 29.374. If the amount allocated to any  
18 county is less than \$5,000.00, the amounts disbursed to each county shall be adjusted to

7 or subregional library's fiscal agency shall agree to maintain local funding support at the  
8 same level in the current fiscal year as in the fiscal agency's preceding fiscal year. If a  
9 reduction in expenditures equally affects all agencies in a local unit of government that  
10 is the regional or subregional library's fiscal agency, that reduction shall not be  
11 interpreted as a reduction in local support and shall not disqualify a regional or  
12 subregional library from receiving state aid under part 1. If a reduction in income affects  
13 a library cooperative or district library that is a regional or subregional library's  
14 fiscal agency or a reduction in expenditures for the regional or subregional library's  
15 fiscal agency, a reduction in expenditures for the regional or subregional library shall  
16 not be interpreted as a reduction in local support and shall not disqualify a regional or  
17 subregional library from receiving state aid under part 1.

18           Sec. 12-905. (1) From the increased funds appropriated in part 1 for the Michigan  
19 liquor control commission, the department shall maintain customer service standards for

2 authorization terminates 30 days after the director notifies the JCOS of the intent to

20 and directly related to, implementing and operating lottery games under the McCauley-  
21 Traxler-Law-Bowman-McNeely lottery act, 1972 PA 239, MCL 432.1 to 432.47, and activities  
22 under the Traxler-McCauley-Law-Bowman bingo act, 1972 PA 382, MCL 432.101 to 432.120,  
23 including expenditures for contractually mandated payments for vendor commissions,

31 **CASINO GAMING**

32 Sec. 20-971. From the revenue collected by the Michigan gaming control board

1 regarding the total annual assessment of each casino licensee, \$2,000,000.00 is  
2 appropriated and shall be deposited in the compulsive gaming prevention fund as described  
3 in section 12a(5) of the Michigan gaming control and revenue act, 1996 IL 1, MCL 432.212a.

4 Sec. 20-973. (1) Funds appropriated in part 1 for local government programs may be  
5 used to provide assistance to a local revenue sharing board referenced in an agreement  
6 authorized by the Indian gaming regulatory act, Public Law 100-497.

7 (2) A local revenue sharing board described in subsection (1) shall comply with the  
8 open meetings act, 1976 PA 267, MCL 15.261 to 15.275, and the freedom of information act,  
9 1976 PA 442, MCL 15.231 to 15.246.

10 (3) A county treasurer is authorized to receive and administer funds received for and  
11 on behalf of a local revenue sharing board. Funds appropriated in part 1 for local  
12 government programs may be used to audit local revenue sharing board funds held by a county  
13 treasurer. This section does not limit the ability of local units of government to enter  
14 into agreements with federally recognized Indian tribes to provide financial assistance to  
15 local units of government or to jointly provide public services.

16 (4) A local revenue sharing board described in subsection (1) shall comply with all  
17 applicable provisions of any agreement authorized by the Indian gaming regulatory act,  
18 Public Law 100-497, in which the local revenue sharing board is referenced, including, but  
19 not limited to, the disbursement of tribal casino payments received under applicable  
20 provisions of the tribal-state class III gaming compact in which those funds are received.

21 (5) The director of the department of state police and the executive director of the  
22 Michigan gaming control board are authorized to assist the local revenue sharing boards in  
23 determining allocations to be made to local public safety organizations.

24 (6) The Michigan gaming control board shall submit a report by September 30 to the  
25 senate and house of representatives standing committees on appropriations and the state  
26 budget director on the receipts and distributions of revenues by local revenue sharing  
27 boards.

28 Sec. 20-974. If revenues collected in the state services fee fund are less than the  
29 amounts appropriated from the fund, available revenues shall be used to fully fund the  
30 appropriation in part 1 for casino gaming regulation activities before distributions are  
31 made to other state departments and agencies. If the remaining revenue in the fund is  
32 insufficient to fully fund appropriations to other state departments or agencies, the

1 shortfall shall be distributed proportionally among those departments and agencies.

2       Sec. 20-976. The executive director of the Michigan gaming control board may pay  
3 rewards of not more than \$5,000.00 to a person who provides information that results in the  
4 arrest and conviction on a felony or misdemeanor charge for a crime that involves the horse  
5 racing industry. A reward paid pursuant to this section shall be paid out of the  
6 appropriation in part 1 for the racing commission.

7       Sec. 20-977. All appropriations from the Michigan agriculture equine industry  
8 development fund, except for the racing commission and laboratory analysis program  
9 appropriations, shall be reduced proportionately if revenues to the Michigan agriculture  
10 equine industry development fund decline during the fiscal year ending September 30, 2016  
11 to a level lower than the amount appropriated in part 1.

12       Sec. 20-978. The Michigan gaming control board shall use actual expenditure data in  
13 determining the actual regulatory costs of conducting racing dates and shall provide that  
14 data to the senate and house appropriations subcommittees on agriculture and general  
15 government, the state budget office and the senate and house fiscal agencies. The Michigan  
16 gaming control board shall not be reimbursed for more than the actual regulatory cost of  
17 conducting race dates. In determining actual costs, the Michigan gaming control board shall  
18 take into account that each specific breed may require different regulatory mechanisms.

19       Sec. 20-979. In addition to the funds appropriated in part 1, the Michigan gaming  
20 control board may receive and expend state lottery fund revenue in an amount not to exceed  
21 \$4,000,000.00 for necessary expenses incurred in the licensing and regulation of  
22 millionaire parties pursuant to Executive Order No. 2012-4. In accordance with section 8 of  
23 the Traxler-McCauley-Law-Bowman bingo act, 1972 PA 382, MCL 432.108, the amount of  
24 necessary expenses shall not exceed the amount of revenue received under that act. The  
25 Michigan gaming control board shall provide a report to the senate and house of  
26 representatives appropriations subcommittees on general government, the senate and house  
27 fiscal agencies, and the state budget office by April 15. The report shall include, but not  
28 be limited to, total expenditures related to the licensing and regulating of millionaire  
29 parties, steps taken to ensure charities are receiving revenue due to them, progress on  
30 promulgating rules to ensure compliance with the Traxler-McCauley-Law-Bowman bingo act,  
31 1972 PA 382, MCL 432.101 to 432.120, and any enforcement actions taken.

1 **STATE BUILDING AUTHORITY**

2           Sec. 20-1100. (1) Subject to section 242 of the management and budget act, 1984 PA  
3 431, MCL 18.1242, and upon the approval of the state building authority, the department of  
4 treasury may expend from the general fund of the state during the fiscal year an amount to  
5 meet the cash flow requirements of those state building authority projects solely for lease  
6 to a state agency identified in both part 1 and this section, and for which state building  
7 authority bonds or notes have not been issued, and for the sole acquisition by the state  
8 building authority of equipment and furnishings for lease to a state agency as permitted by  
9 1964 PA 183, MCL 830.411 to 830.425, for which the issuance of bonds or notes is authorized  
10 by a legislative appropriation act that is effective for the fiscal year ending September  
11 30, 2016. Any general fund advances for which state building authority bonds have not been  
12 issued shall bear an interest cost to the state building authority at a rate not to exceed  
13 that earned by the state treasurer's common cash fund during the period in which the  
14 advances are outstanding and are repaid to the general fund of the state.

15           (2) Upon sale of bonds or notes for the projects identified in part 1 or for  
16 equipment as authorized by a legislative appropriation act and in this section, the state  
17 building authority shall credit the general fund of the state an amount equal to that  
18 expended from the general fund plus interest, if any, as defined in this section.

19           (3) For state building authority projects for which bonds or notes have been issued  
20 and upon the request of the state building authority, the state treasurer shall make  
21 advances without interest from the general fund as necessary to meet cash flow requirements  
22 for the projects, which advances shall be reimbursed by the state building authority when  
23 the investments earmarked for the financing of the projects mature.

24           (4) In the event that a project identified in part 1 is terminated after final design  
25 is complete, advances made on behalf of the state building authority for the costs of final  
26 design shall be repaid to the general fund in a manner recommended by the director.

27           Sec. 20-1102. (1) State building authority funding to finance construction or  
28 renovation of a facility that collects revenue in excess of money required for the  
29 operation of that facility shall not be released to a university or community college  
30 unless the institution agrees to reimburse that excess revenue to the state building  
31 authority. The excess revenue shall be credited to the general fund to offset rent  
32 obligations associated with the retirement of bonds issued for that facility. The auditor

1 general shall annually identify and present an audit of those facilities that are subject  
2 to this section. Costs associated with the administration of the audit shall be charged  
3 against money recovered pursuant to this section.

4 (2) As used in this section, "revenue" includes state appropriations, facility  
5 opening money, other state aid, indirect cost reimbursement, and other revenue generated by  
6 the activities of the facility.

7 Sec. 20-1103. The state building authority shall provide to the JCOS and senate and  
8 house fiscal agencies a report relative to the status of construction projects associated  
9 with state building authority bonds as of September 30 of each year, on or before October  
10 15, or not more than 30 days after a refinancing or restructuring bond issue is sold. The  
11 report shall include, but is not limited to, the following:

12 (a) A list of all completed construction projects for which state building authority  
13 bonds have been sold, and which bonds are currently active.

14 (b) A list of all projects under construction for which sale of state building  
15 authority bonds is pending.

16 (c) A list of all projects authorized for construction or identified in an  
17 appropriations act for which approval of schematic/preliminary plans or total authorized  
18 cost is pending that have state building authority bonds identified as a source of  
19 financing.
