DESCRIPTION OF WORK

The work includes two years of operation and maintenance of a groundwater/product, and soil vapor extraction treatment system with weekly site visits, liquid and vapor monitoring, response to alarms, data tabulation, and reporting.

Bid Security and Performance Bonds: Required Not Required

All Bidders submitting bids in excess of \$100,000.00 must be certified by the Department of Civil Rights for compliance with State of Michigan Equal Employment Opportunity requirements prior to submission of bids. **Note:** Due to recent processing improvements by the Department of Management & Budget (DMB) and the Department of Civil Rights (DCR) concerning Certificates of Awardability, consideration may be given to bids received while final certification is still pending. In order to qualify for such consideration a bidder who does not possess a Certificate of Awardability valid through the bid opening date must do each of the following:

- Notify MDCR in writing, by sending a facsimile (fax) to 313-456-3826 at least 3 business days prior to the bid opening date, that the bidder has submitted a bid contingent upon a pending Certificate of Awardability. Notice shall indicate the contract bid upon, the scheduled bid opening date, the name and phone number(s) of a contact person able to speak for the bidder on the subject of awardability, and the date on which the bidder's application for Certificate of Awardability was initially filed.
- Ensure that all information required on the application for Certificate of Awardability was provided to MDCR.

Documents may be obtained from Sarah Osenroth at MACTEC Engineering and Consulting of Michigan, Inc. fax (248) 926-4009, or email skosenroth@mactec.com. **Bidders must specify whether a hard copy or CD is requested.** There is no charge for a CD but if a hard copy is requested, the bidder shall provide to MACTEC a \$50 check payable to the "State of Michigan" prior to the shipment of documents.
