DESCRIPTION OF WORK

The work includes but not limited to; all labor, materials, and equipment necessary for the application of foam insulation on the existing beams and the injection of insulation in the soffits and knee walls for the first and second floor of the building. Removal and disposal of fiber glass insulation under the mechanical room and the application of foam insulation under the deck of the mechanical room. The project is divided in five (5) phases to allow for the dismantling and construction of modular and furniture by owner.

Bid Security and Performance Bonds:  Required  Not Required

All Bidders submitting bids in excess of \$100,000.00 must be certified by the Department of Civil Rights for compliance with State of Michigan Equal Employment Opportunity requirements prior to submission of bids. **Note:** Due to recent processing improvements by the Department of Management & Budget (DMB) and the Department of Civil Rights (DCR) concerning Certificates of Awardability, consideration may be given to bids received while final certification is still pending. In order to qualify for such consideration a bidder who does not possess a Certificate of Awardability valid through the bid opening date must do each of the following:

- Notify MDCR in writing, by sending a facsimile (fax) to 313-456-3826 at least 3 business days prior to the bid opening date, that the bidder has submitted a bid contingent upon a pending Certificate of Awardability. Notice shall indicate the contract bid upon, the scheduled bid opening date, the name and phone number(s) of a contact person able to speak for the bidder on the subject of awardability, and the date on which the bidder's application for Certificate of Awardability was initially filed.
- Ensure that all information required on the application for Certificate of Awardability was provided to MDCR.
