

<p style="text-align: center;"><b>Bid Specifications</b> <b>NICE Community Schools Network Rewiring Project</b> <b>Wiring Quotes Requested</b></p>
--

The Board of Education is requesting quotes to rewire and replace existing computer network wiring located throughout Westwood and Aspen Ridge schools.

Scope of Work:

1. Relocate all non-centralized switches and punch blocks into centrally-located wiring rooms.
2. Rewire network cabling from all rooms, where necessary, connecting to centrally-located wiring rooms.
3. Provide/install any necessary piping and conduit for wiring project.
4. Clearly label all wires and drops according to NICE school maps.
5. Coordinate wiring project with tech department to minimize downtime of network functionality during construction.
6. Provide a written warranty for a 12 month period from completion of project to include labor and materials.

Bidders shall contact the district if they are interested in attending a mandatory on May 5<sup>th</sup> at 3pm. All interested parties will be given a tour of both buildings to gauge the scope of work for the bid.

Bidders shall provide proof of similar work done in the past, proof of insurance, as well as contact names and phone numbers. Proof of liability insurance with \$500,000 of coverage will be required prior to implementation of the project.

All bidders will be required to provide proof that they have met all school student safety legislation as per federal and Michigan requirements (employee fingerprint check).

Work can be started as soon as summer vacation begins and after the project is approved by the Board of Education, and must be completed within 2 weeks from the project start date. Bidders shall submit proposals to the Business Manager's Office, 300 Westwood Drive, Ishpeming, MI 49849, on or before May 12, 2008.

The Board retains the right to accept or reject any/or all bids in the best interest of NICE Community Schools.
