PROJECT DESCRIPTION  
 A new trailhead must be constructed to replace the open field that currently serves as a trailhead in this location. Improvements needed include construction of a toilet building, information station, entrance signage, gravel parking lot and parking area delineation. This is a multiple use trailhead serving three trail systems and provides access for ORV and snowmobile users.

SPECIAL WORKING CONDITIONS  
Time is of critical concern

DESIRED SCHEDULE OF WORK  
Preliminary construction cost estimates due thirty days after award of PSC contract.

LOCATION OF WORK AREAS  
The site is located in Norwich Township located in northeastern Missaukee County near the intersection of 13 Mile Road and Oil Well Road.
