

Roseanne M. Oliver
DC3 Capture Manger

Rosanne comes to the Defense Contract Coordination Center with 15 years government contracting and economic development experience. Rosanne's most recent position was Program Director for the Macomb Regional Procurement Technical Assistance Center. The program was moved to a new host, Macomb Community College in 2005 and revitalized over the past two years. The Macomb Regional PTAC covers six counties in Southeast Michigan Macomb, St. Clair, Huron, Lapeer, Sanilac and Tuscola and has satellite offices in Marlette at Thumb Area Michigan Works and in Port Huron at St. Clair County Community College - MTEC.

From 1993 – 2001 Rosanne was employed at the Economic Development Alliance of St. Clair County where she held positions as PTAC Program Manager, Business Retention Manager, Business Attraction Manager and Interim Director. She also was very involved with the creation of the Foreign Trade Zone.

She then served as PTAC Program Director in Genesee/Shiawassee Counties under the Flint Genesee Economic Growth Alliance in 2001 - 2005 where she transferred the PTAC Program into the Economic Development Agency. In this role Rosanne worked closely with companies to combined Defense Contracting and Economic Development to create jobs and investment for the community. She also held positions as Business Attraction Account Manager and Foreign Trade Zone Director.

Rosanne has an Associate Degree in Business from St. Clair County Community College, a Bachelors Degree in Administration from Concordia University and is a Certified Business Analysis from Capital Graduate School of Administration and the Ohio Department of Economic Development. Oliver sits on the Board of Directors for the PTACs of Michigan, Inc., and is on the Macomb Business Development Council and has worked closely with MEDC and the Detroit Regional Economic Partnership since their inceptions. She also is a member of Michigan Economic Developers Association, MEDA; National Defense Industry Association, NDIA and a long-term member (since 1994) of the National Association of Procurement Technical Assistance Centers, APTAC.
