

TAMMY M. THOMSON
PROGRAM MANAGER, PTAC OF SCHOOLCRAFT COLLEGE

Tammy Thomson is the Program Manager for the Procurement Technical Assistance Center (PTAC) of Schoolcraft College. The PTAC is funded by the Department of Defense and the State of Michigan to provide government contracting assistance to local small businesses. Tammy began with the PTAC over fourteen years ago and has experienced all levels of the program. Tammy and the PTAC assist local businesses by providing client counseling services, troubleshooting and guidance in all aspects of government contracting. Annually, the PTAC services approximately 450 companies which report an average of \$30 million in government contracts per year as a result of the services received by the Center.

Tammy has a Bachelor of Business Administration from the University of Michigan Dearborn and will receive her Master of Science in Business Information Technology from Walsh College in September.
