

White Pigeon Community Schools Fiber Optics

White Pigeon Community Schools is accepting bids to install underground fiber optics from the High School building located at 410 E. Prairie Ave to the Central Elementary building located at 305 E. Hotchin and the Bus Garage located at 105 Heath Street. This project would include the following:

- Bury 2" conduit between buildings and secure proper paperwork and permits to run along village roads and under state highway
- Install 2" conduit and run to data closets in each building
- Pull 12 strand single mode fiber in conduits to each data closet
- Terminate 12 position fiber in racks
- Network electronics (HP Switches)

Deadline for returning bids will be March 19, 2008 at 12:00 noon. Bids should be mailed to:

White Pigeon Community Schools
Attn: Marvin Schneider, Superintendent
410 E. Prairie Avenue
White Pigeon, MI 49099
