

Outline

Purpose: Walk through the steps to select and download data files (Course) from MiSchool

NOTE: You should limit your download to 2008-2013 data files.
Reason: complete records have been submitted to CEPI beginning with 2008.

Early Childhood

Information about programs that provide education and services to Michigan children from birth through age eight will be found here.

Kindergarten - 12th Grade

See how Michigan's public and nonpublic K-12 schools and students are faring by exploring student test results, school operational information, graduation and dropout rates, and much more.

Postsecondary

Here you will find enrollment and longitudinal student tracking information for Michigan's public colleges and universities as well as independent colleges that participate in the data collection efforts.

Workforce

This section will provide information about workforce readiness opportunities (other than college) offered after a student leaves the traditional school setting.

NOTE: You should limit your download to 2008 through 2012 because they are more complete than earlier years.

The year selected determines the cohort of students whose course records you will receive. It consists of all students who first enrolled at your college in that (calendar) year.

You will receive these students' course records from all MiSchool colleges and universities in all terms.
