Charity Game Tickets (Derby Downs)

BACKGROUND

Derby Downs is a charity game ticket where the top two winners are determined by the drawing of bingo balls--in conjunction with a bingo game or not. A deal includes 53 instant winners, 15 horse HOLD tickets, and 15 jockey HOLD tickets. Instant winners are redeemed as players turn them in. Players should retain the HOLD tickets until all tickets in the deal have been sold and the top two prizes have been awarded.

INSTRUCTIONS

1. Before beginning the drawing or bingo game that will be played with Derby Downs:
 - a. All tickets in the deal must be sold.
 - b. Announce when the drawing or bingo game for Derby Downs will be conducted.
 - c. Prior to the start of the bingo game or drawing of bingo balls, announce the serial number(s) of the deal(s) being played. Remind players to dab the numbers on their horse and jockey HOLD tickets and that after all five of a player's numbers are called, someone must yell bingo to stop the play.
2. Begin the bingo game or drawing of bingo balls.
3. Players dab the numbers on their HOLD tickets as they are called.
4. Once all five numbers in a down line on a flashboard are called, the two corresponding HOLD tickets are potential winners. If at least one of the players calls bingo, the game stops and the potential winners are verified.
5. The worker verifies winning tickets at a neutral table, verifying the correct serial number, all five numbers have been called, and the last number called is contained on the ticket.
6. The player holding the valid horse HOLD ticket wins \$100. The player holding the valid jockey HOLD ticket wins \$75.
7. Whether a player calls "bingo" or "balls" is irrelevant, however, it is the responsibility of at least one player to stop the game.
8. Once the winners have been verified, remaining HOLD tickets with the played serial number(s) are no longer valid.
9. If the bingo game has not been completed, it continues until all bingo winners have been determined.
10. If the bingo game concludes before determining the Derby Downs winners, announce that numbers will continue to be drawn until the Derby Downs winners have been determined.

RESTRICTIONS

11. All prizes must be claimed within the time posted by the licensee but shall be not less than 14 days from the date the last ticket in that deal was sold. If only the winning jockey HOLD ticket or the winning horse HOLD ticket has been redeemed but not the other, post the serial number and winning numbers along with date announcing the amount of time the winner has to claim their prize, which must be no less than 14 days.

DISPUTED GAMES

13. If there are problems with the bingo balls, bingo equipment, or the operation of the bingo equipment before the Derby Downs winners have been determined, the Derby Downs game is void and shall be played over during the same occasion while players re-use their Derby Downs tickets for the game not yet awarded.
14. If it is discovered that a ball or balls were incorrectly called or improperly placed or entered into the master board, the game shall be stopped.
- Upon immediate discovery, the error shall be corrected by clearly restating the incorrect call or indicating the improper placement and indicating what the correct call or placement should have been and continue the game.
 - If, after additional balls have been called, it is determined by the chairperson that the game cannot be reconstructed, then the game shall be declared void and replayed during the same occasion using the same Derby Downs tickets.
15. In the case of a disputed game, if a prize has been paid to a player before the discovery of the error, then the prize shall remain the property of the player who was paid the prize.
16. Whenever there is a player complaint involving a game, log the issue along with the names of players involved. Maintain with the game records.
