

Meeting Description: Monthly GIS Users Group Meeting

Date: April 1, 2010

Time: 10:00 AM

Location: Michigan Center for Shared Solutions & Technology Partnerships, George W. Romney Building, 10th Floor, Large Conference Room

Attendees:

Everett Root, DTMB/CSSTP

Steve Aichele, USGS

Joyce Newell, MDOT

Justin Booth, MSU/RSGIS

Steve Stepek, KATS

Michelle Kleckler, MSP/EMHSD

Jaclyn Barcroft, MSP/EMHSD

Dale Bridgford, DNRE

Sherm Hollander, DNRE

Laura Blastic, DTMB/CSSTP

Anamika Ladd, EMCOG

Trevor Floyd, St. Clair County (by phone)

Rose Anger, Barry County (by phone)

Teri Debler, MDIT/CSSTP

I. Approval of Meeting Minutes

1. March minutes will be ready soon.

II. Geographic Framework Program

A. Framework Activities Update

Everett Root, DTMB/CSSTP

1. Delivery date April 2, 2010.

B. Digital Ortho Update

Everett Root, DTMB/CSSTP

1. Ground control is complete. Southern tier is done.

2. Gratiot county is buying Ithaca and Alma area up to 6" resolution
3. Lapeer not yet done.
4. MIS is ready to go live (see diagram attachment). Portal demo after today's meeting.
5. Week of April 26th or later, possible brown bag demo's provided.

Steve Aichele, USGS

1. SEMCOG was collecting LiDAR and Ortho's.
2. Tri-County to follow as the project is moving east to west across the state.
3. Bay/Iosco/Arenac LiDAR will be fall flight.
4. Lake Erie basin LiDAR probably this fall.

Anamika Laad, EMCOG

1. Saginaw, Bay and Midland plan to fly this spring for leaf off.

C. Conferences Update

1. Imagin: May 3-4, 2010, in Lansing, same place and hotel as last time.
Announced speakers: Randy Johnson, member of the National Geospatial Advisory Council, and former president of NAICO, and Jim Sparks, IN GIO
2. MICAMP September 22-24, 2010
3. NSDI Strategic Planning Listening Sessions: April 20th at Marquette Ramada, April 21st at Treetops in Gaylord, April 27th at Kalamazoo Area Transportation, April 28th Detroit Metro at Board of Commissioners in Pontiac, April 29th Lansing Kellogg Center. Two sessions per day: 9-noon and 1pm-4pm.
4. Homeland Security Conference at DeVos Center in Grand Rapids, May 4-5.
5. NSGIC conference in Minneapolis September 14-17, with the following week having a national map conference

III. MDNRE Projects and Activities

Sherm Hollander, MDNRE

1. MI Hunt interactive mapping application is available. Allows users to create customized maps.

Dale Bridgford, DNRE

1. Mapped over 1800 pre-regulation dumps and is looking for a way to share data with the rest of the state efficiently.

IV. MDOT Projects and Activities

Joyce Newell, MDOT

1. HPMS webinar talked about new spatial requirements. Possibility of requiring split roadways. Has become a high priority for MDOT to meet the new

- requirements. May contact CSSTP for assistance. HPMS classification data collection samples for study. May start with a pilot area.
2. Lane mile inventory is now available in PR finder for viewing.
 3. Staff is currently out collecting information on weigh stations, rest areas, and roadside parks.
 4. Setting up to receive MGF version 10.

V. MSP Projects and Activities

Michelle Kleckler, MSP/EMHSD

1. Will be at IMAGIN conference giving a presentation on GIS efforts done at MSP, then heading to the Homeland Security Conference to do the same.
2. Drills for the nuclear power plant are coming up in May.
3. Working with MSU to update and store imagery.
4. Received new server to implement ArcGIS during emergencies.
5. Working with Michigan Intelligence Operations Center (MIOC) to replicate data. Everett referred Scott Noldy for assistance setting up.

VI. MDCH Projects and Activities

| Not represented

VII. CSSTP Projects and Activities

Everett Root, DTMB/CSSTP

1. MR BIS site updated.

Laura Blastic, DTMB/CSSTP

1. Framework v10 is on for delivery tomorrow.
2. New classification codes are considered in the new version.
3. Federal aid urban boundary code field name has changed in the new version.
4. Updates from Kalamazoo county, centerlines, Kent county, Grand Rapids, Jackson County.
5. Looking for partners to join the next version.
6. Oracle Migration Project is on track. Monday starts editing interface testing in ADE environment. 2nd/3rd round of testing will include outside vendors.
7. Updating CGI/CSSTP website to include "Save the Date" and a survey.

VIII. MSU/RSGIS Projects and Activities

Justin Booth, MSU/RSGIS

1. Working through MIS website for Everett.
2. One developer attended ESRI Developer Summit.
3. Processing NAIP 2009 for Sherm.

IX. County/Local Projects and Activities

Barry County, Rose Anger

1. Their conservation district trout stream restoration project received \$25,000 grant from Miller-Coors.
2. Two townships shy of having all of their aerials posted as PDFs.

St. Clair County, Trevor Floyd

1. Waiting on 2010 flight information.

X. Regional Projects and Activities

Steve Stepek, KATS

1. KATS and Southwest Region are still working on the update for MDOT non-motorized maps.

Anamika Laad, EMCOG

1. Saginaw Bay Coastal Resource Guide project consolidating GIS data layers into one spot for local planning.
2. Non-motorized plan will be done next month.
3. Transportation Landuse and GIS (TLAG) committee has representatives to assist in the local GIS community.

XI. Federal Projects and Activities

Steve Aichele, USGS

1. Will be having Elizabeth McCartney, NHD technical point of contact, out at Secondary Complex as the trainer for the three 1-day sessions in April. Have about a dozen spots left, if interested contact Pete Vincent.
2. The Association of Drain Commissioners NHD committee will be sending out a survey to all county drain commissioners to figure out where they stand on GIS.
3. USGS is downsizing, losing a layer of management, therefore changing contacts.
4. Ken Salazar plans to chair the FGDC meetings himself.
5. Marsha McNutt, new USGS director, would like the USGS to be a one-stop shop for all federal mapping products.
6. LiDAR seminar was conducted in Ypsilanti last Tuesday and presentations are posted on Imagin website.
7. Possibility of receiving NAIP in 2010.
8. In response to Anamika's question about FEMA, Steve replied FEMA flood engineer for Michigan is Mike Hanke and can be contacted with concerns of old mapping information.

XII. Other Issues

None

XIII. Next Meeting Date May 6, 2010 10AM
